# GRAND YORK RITE OF IDAHO

## DIVINE SERVICES

Divine Services this year began with a Benefit Dinner at the Scottish Rite Center in Post Falls. A delicious dinner was served to sixty-eight persons by Queen Esther Chapter #12, Order of the Eastern Star. A net profit of \$578.00 was realized to help support the Holy Land Pilgrimage program.

After the dinner everyone retired to the meeting room of the Temple where a memorial service incorporating the reports of the Necrology and Broken Triangle Committees was conducted by Sir Knights William K. Curtis, Jr. and Harry L. Huffer under the direction of Sir Knight Ernest I. Teter. Twenty-four Sir Knights in uniform were present.

Following the memorial service Reverend Robert Perry gave a talk on his visit to the Holy Land, concluding the program with a prayer.

A reception was then held, sponsored by the Grand Presiding Officers and their ladies.

A full report of the Necrology and Broken Triangle Committee is included in the section "*General Information for all Grand Bodies*".

Upon motion duly made and seconded, the minutes of the ninety-seventh Annual Conclave were suspended until the next Grand Sessions.

## **REPORT OF THE RIGHT EMINENT GRAND COMMANDER**

*To the Officers and Members of the Grand Commandery of Knights Templar of Idaho:*

Good morning Sir Knights. It is my distinct honor and pleasure to welcome all of you to Post Falls and this 98th Annual Conclave of the Grand Commandery of Idaho. To those Sir Knights and their ladies who are sojourning from our sister jurisdictions, I extend my heart felt thanks to you for your presence here. We hope you have an enjoyable and pleasant stay here. If you have individual or personal needs that require attention, please let our Host Committee know.

We extend a special Idaho welcome to Sir Knight Gerald A. Ford, Department Commander of the Northwestern Department and personal representative of The Most Eminent Grand Master of the Grand Encampment of Knights Templar Of the United States of America, Sir Knight William Jackson Jones. Sir Knight Gerry we extend a hearty Idaho welcome to you and your Lady.

I am pleased we are in Post Falls; I spent over sixteen years calling this general area my home. I began my journey for light and knowledge just eight miles down the road in Coeur d'Alene some twenty six years ago. I value many of the Masons in this area as my friends and I am gratified to spend these few days renewing these friendships.

## **GRAND REPRESENTATIVE PROGRAM, APPOINTMENTS**

It was my pleasure to issue Commission's as Grand Representatives of Idaho near other Grand Jurisdictions to: SK Joseph A. Hayles of the Grand Jurisdiction of Alabama; and SK Ronald O. Clarke of the Grand Jurisdiction of Nebraska. It was my delight to recommend several Sir Knights from Idaho

to serve as Grand Representatives near other jurisdictions in Idaho.

## NECROLOGY

The Great Architect of the Universe called several Sir Knights who were members of constituent Commanderies. While we surely feel a dramatic sense at their loss, let us take time to reflect on our fortune of having them to share for a moment. Thankfully our immediate Grand Commandery Family has remained intact. A combined Necrology and Broken Triangle Report will be given following the Divine Services.

## VISITATIONS

Visitations are a particular part of this job I looked forward to with a great deal of enthusiasm. I was able to represent this Grand Jurisdiction at the Annual Conclave of Washington in May and Montana in June. In August it was my distinct pleasure to attend the 61st Triennial of the Grand Encampment of the USA. PDC, SK Ernest I. Teter and his lady Agnes; and PGC David H. Volkman, Deputy General Grand Master, Convent General, Knights York Cross of Honour, and his lady Betty joined me in representing the Grand Jurisdiction of Idaho. Several Sir Knights and their ladies from our Sister Jurisdictions were present. What an educational experience this was. The Grand Jurisdictions of Monaco, Portugal and Italy were given formal recognition at this session.

I think the majority of Sir Knights who know me, realize I work for one of our Land Management agencies, the US Department of Agriculture, Forest Service. In my position I am required to assist with wildfire efforts from time to time. This requirement changed many of my visitation plans. On my return flight from the 61st Triennial Session held at Nashville, somewhere close to Jackson Hole, WY. I looked out the window of the airplane. South of our position I observed eighteen different forest fires. I then looked to the north and could count eight more. As we continued westerly we flew directly over a mushroom smoke cloud which I recognized as being on the edge of the Sawtooth Wilderness Area. This began a time when my plans were changed drastically for me. Due to fire duty, I missed attending the Grand Jurisdiction of Colorado and also the annual communication of the Most Worshipful Grand Lodge AF & AM of Idaho. I was released from fire duty in time to attend the Grand Jurisdiction of Wyoming; however, when it was time to travel I was recuperating from a bout of bronchitis and my Lady was starting to come down with it. We regretfully had to cancel out of the visitation.

It was also a pleasure to visit the Constituent Commanderies in Idaho. Some more than once. While it was not necessarily the easiest job for some Commanderies to Open and receive the Grand Commander and Staff, I am confident that all Commanderies received benefit from the experience. My Lady and I were received with every possible courtesy. I do appreciate the

courtesies extended. Thank you, Sir Knights. The contacts made with Sir Knights and the ability to network with these contacts while having the opportunity to Represent the Grand Jurisdiction of Idaho, at home and in Neighboring Jurisdictions, is just one of the aspects associated with visiting. A schedule of visits made to Masonic bodies follows; those dates that were cancelled were due either to work conflicts, illness or scheduling conflicts.

### INSPECTIONS

Sir Knights, I am pleased to say that all eight Commanderies stood inspection during the 2000-2001 term. While it is apparent that we must learn to walk before we can run, some forget that we must be able to open in order to conduct business and confer the Orders. Idaho is in a rebuilding mode. Not all Commanderies began the year with the ability to open and conduct business. With this in mind the Board of Inspection under the very able direction of SK James C. Herndon. VEDGC was able (by coaxing, arm-twisting and challenges) to conduct a two- tiered Inspection Program this year. I might add it is the first time in 35 years all Commanderies have stood for inspection. I will leave the results to our Board of Inspection and their Official report. I must say, I am much more appreciative for the efforts and hard work of the Commanderies. This is your Grand Commandery and if it is to survive you are the ones who must lay aside the adversity and build together for the common good of all Templars in Idaho. I know some Commanderies are still lacking in experience and leadership. However I am confident that in the coming years all will possess the ability and PRIDE re-

quired to overcome the APATHY that has held us back. Sir Knights, I am committed to helping you succeed in any way I can.

## **GENERAL ORDERS**

General Order #1 Christmas Observance: Commanderies were directed to hold a Traditional Christmas Observance and Report to the RE Grand Recorder and RE Grand Commander of their success or failure. I received notification from two of eight Commanderies. I know that at least one other held a Christmas Observance, as I took part in the observance.

General Order #2 Easter Observance; Called for the Observance of Easter by Constituent Commanderies, with a report of the same to the Grand Commander and Grand Recorder by April 30.

General Order #3 Monthly and Annual Reporting: Directed Eminent Commanders and Recorders to prepare and transmit monthly reports to the REGC and Grand Recorder.

General Order #4 Summer Uniforms: Authorized the Grand Jurisdiction of Idaho to enjoy the use of the summer Uniform as Prescribed by Grand Encampment during the period of Memorial Day to Labor Day.

Stoller, Twin Falls Commandery No. 10, to meet and open a Commandery, March 24, 2001. Declaring they constitute three Knights Templar hailing from three separate Commanderies and are acting under a Lawful Warrant. The purpose was the conferral of the Orders of the Temple. The Orders were conferred upon Companions Gary Labruyere: Robert Mohny: Donald Taylor and Price Worrell, all members of Idaho Falls Chapter No. 10 Royal Arch Masons, and Jeremiah Council No. 9 Cryptic Masons. The Warrant for Special Dispensation meets the requirements set forth in the Constitution and Statutes of the Grand Encampment and of the Idaho Code of Laws 1990 Edition.

## AWARDS

It was my distinct pleasure to recommend award of the Knights Templar Cross of Honor to Sir Knight Howard A. Smith of Idaho Commandery No. 1. This medal and accompanying plaque will be presented at the Annual Grand York Rite Sessions Banquet tomorrow night if he is present.

I feel this is a very prestigious medal and I know there are more Sir Knights who are very deserving of this honor. I salute the Sir Knights who have attained this distinction.

June 13, 2000, I was pleased to accompany PDC, SK Ernest I. Teter, to Idaho Falls. We presented the 2000 Award to the Hospital, Ophthalmologists, and Anesthesiologists at the monthly Chamber of Commerce Luncheon. PGC, SK M. William Echo, E Gr Recorder/Treasurer, and his Lady Linda joined us. SK Teter started this tradition in 1991 when he was REGC. I am very pleased to carry on this tradition.

April 9, 2001, it was again my pleasure to assist SK Teter in the presentation of the 2001 Award plaques to Ms. Sandra Brouce, President of St Al-

phonsus Regional Medical Center, Dr. Sandra Thompson, Director of Anesthesiology. My Lady Patricia who acted as our "Official Photographer" accompanied SK Teter and I. SK Teter presented Dr. Francois Trotta, Doctor of Ophthalmology, with his plaque on April 12. These awards were presented prior to our Grand Session, since we were aware the representatives were unable to attend the Grand York Rite Banquet. This is a very inexpensive way for us to say "Thank-You" to our service providers. The caregivers in Idaho Falls and Boise were very gracious and thanked the Knights Templars for providing this service to the patients.

## **THE STATE OF THE ORDER**

I wish I could stand before you and tell you there are no problems in this Grand Jurisdiction; however, I would be lying. Rather than problems, there are some enormous opportunities which present themselves. Sir Knights, the largest task we have is to convince ourselves we have the opportunity to make a difference. We face an uphill battle to overcome the APATHY that has replaced our PRIDE. Until we (collectively) gain back our PRIDE, the membership will continue to decline. It is not too late!! The train hasn't totally passed us by. By what means do I measure these opportunities? I have observed a genuine effort and interest by the Grand Lodge of Idaho AF & AM in promoting harmony and strengthening membership. We need to work together for the benefit of all. The past is history, let us be observant of our mistakes and set goals to achieve our opportunities. It is incumbent upon every Knight Templar to afford good men and true the avenue to improve their lot in Life. Lest we forget our obligations we need to start taking them more seriously. "Charity", it is said, "begins at home". This is very true for our Order. It is through the proper education and discipline that we are enabled to arrive at our Holy Altar. We need to take this education to heart and spread our fame both far and wide. Remember Sir Knights, "EVERY CHRISTIAN MASON SHOULD BE A KKNIGHT TEMPLAR." If you don't believe this premise, then why are you here? There are those in this Grand Jurisdiction who possess the skills and abilities to lead and to teach others how to lead. Support them, and they will support you. Remember time, patience, and perseverance will accomplish all things. Think about it. The opportunities confronting Templary in Idaho are basically the same as those affecting any Church or fraternal order. They are television, affluence, life style, age, but most of all TIME. Studies show a wage earner (especially in dual income families) has approximately eight hours per month to devote to discretionary endeavors. If we are going to be successful in attracting bright energetic members, we have to change somewhat with the times and market a product that attracts the attention of our Target audience. Simply put we need to provide a quality product worthy of the expenditure of time and effort. When in doubt ask Jesus; then do what Jesus would do!

## **KNIGHTS TEMPLAR EYE FOUNDATION**

Sir Knights, I consider the Knights Templar Eye Foundation the "Flagship" of our fraternity. Each year the Knights Templar Eye Foundation

conducts a voluntary campaign to raise funds for the year. While this Grand Jurisdiction is not the top contributor, neither are we the least. On a per capita basis, my last weekly update shows Idaho in 36th place. While we are behind our sister jurisdictions of Colorado, Oregon and Washington, we are ahead of Montana and Wyoming. We certainly can do better! Sir Knights, please be generous in your gifts, donations and bequests.

I must tell you at times this year I have really wondered if our "Flagship" had lost its rudder. Please don't take this wrong, but what I am about to say I consider very serious business. Also don't kid yourself Masonry is a business whether that is the popular perception or not. Templary and particularly when we are dealing with the most precious sense our Lord has allowed us, Sight., is a very serious business. We promote the good health of people who are basically indigent. We are the "Port of last Hope" so to speak. By this promotion, we ask highly skilled and very expensively trained caregivers to perform a service for charity. We are then supposed to do our part by providing a pittance to compensate our caregivers, which most professionals would find as an insult. Idaho unlike some of the larger Grand Jurisdictions, Illinois, Indiana, Texas, etc. has no luxury when it comes to dealing with caregivers. We only have one retina specialist, and few ophthalmologists who are willing to accept the insult for payment. During the last year, our "Flagship" has consistently been late in making these payments. At one point they were seven months behind in paying our caregivers and the hospital. This does little else except to add injury to the insult that exists. Repeated attempts failed to bring about any meaningful change in the handling of business matters. Evidently I am inept at communicating, since the Foundation hasn't even been courteous enough to answer my cover letters. Initially, I thought maybe someone in the Grand Encampment Office had an axe to grind with our Grand Jurisdiction; however, after conversing with my counterparts, I am firmly convinced we have an enormous opportunity since the western states seem to be experiencing the exact same problem. It appears nepotism is rampant in Chicago and the time has come for the Grand Encampment to either seriously revamp the current organization or face the music. I don't believe in idle gossip. When a Sir Knight tells me the MWGM of Masons in his State is seriously considering withdrawing support of the Grand Encampment, it's time we all better take very seriously the business at hand. If I wasn't aware of the fine work being done by our Sir Knights who struggle to rid unfortunate humans of their plight, I would be inclined to press our MWGM for consideration of an edict. However. I know we are making a difference in the lives of those we seek to help. So I continue to support the program for the sake of the patients, not the Offices of the Knights Templar Eye Foundation.

## HOLY LAND PILGRIMAGE

I'm sure most of the Sir Knights are aware of the old adage "War is Hell". It really is a truthful saying. Your Holy Land Pilgrimage Committee met and selected a minister to sponsor in a trip to the Holy Land. Our first selection was recommended by Gate City Commandery No. 4 in Pocatello.

The Reverend Nancy Nagy was informed by her church archdiocese that they were forbidding any of the clergy from traveling to the Holy Land. Based upon Rev. Nagy's decision to obey the direction of the Archdiocese, an alternate minister was selected. He was from Idaho Falls and lasted two days before a friend in the State Department convinced him the Middle East is currently not a place to visit. Therefore, the Grand Jurisdiction of Idaho will be credited with the purchase of plane fare from Newark, NJ, to the Holy Land and return. If conditions change perhaps we could send two ministers next year. Sir Knights, this is the opportunity for us as Christian Masons to really stand out. During these times when organized religion makes every effort to disenfranchise those who might otherwise seek admission, we need to do our very best in promoting this very worthwhile cause. Remember, your contributions tax deductible. Plan for the future and remember the Holy Land Pilgrimage Fund in your gifts, donations, and bequests.

## RECOMMENDATIONS

I recommend all Constituent Commanderies in this Grand Jurisdiction of Idaho adopt the Templar Cap and Mantle as the uniform of their Commandery. This affords all Sir Knights the opportunity to look alike at a reasonable price. Perhaps they could even consider the cost as a portion of their fee structure, insuring new Sir Knights would perhaps make them immediately feel they are a part of the Order, and provide them with the proper uniform.

I recommend the Grand Jurisdiction of Idaho seriously consider acquiring the services of a professional money manager. I recognize this will take legislative changes by all three bodies to accomplish. Sir Knights, the Grand Commandery of Idaho is a business and you are the stakeholders. We need to manage it as such. We have some members who understand the value of finances and how the financial markets operate. At the Northwest Regional Workshop last October (2000), an outstanding financial program was presented. Sir Knight Bruce Pruitt, (PGC, California) also spoke of a program the Grand Jurisdiction of California invests in. He is willing to provide the information. I seriously recommend the Grand York Rite Bodies of Idaho avail themselves of this information and if it be the will of the delegates, pass the proper legislation allowing us the opportunity to insure our financial well being long into the future.

I recommend a serious Long Range Planning effort be undertaken by this Grand Jurisdiction. Planning is integral in perpetuating continued growth and ending the decline in our numbers. If you don't know where you are going, you certainly are going to get there, wherever there is.

I recommend my successor consider the appointment of a Tactics and Training Cadre. We need to develop and train the Grand Officers as well as providing training to Constituent Commanderies. This will afford the Grand Commander the luxury of grooming the "Best of the Best". Grand Officers will enter this office fully aware of the job at hand, knowing how to proceed instead of learning it the hard way. We need to change: we can ill afford the "Good enough for me" syndrome.

To my knowledge it has been over 25 years since the financial stipend for the heads of the three York Rite Bodies was increased. With the increases in inflation and costs of doing the business at hand, I recommend the delegates seriously consider doubling the allowance. This adjustment if allowed still won't provide a cost free situation to your chosen leaders, but will lessen the economic impacts of holding office.

I recommend the allowance for attending the Triennial Session once every three years also be doubled. With increased price of fuel, airline tickets alone are more than the amount allowed.

I recommend the delegates authorize the same distinction to the Very Eminent Deputy Grand Commander, which the Deputy Grand Master of this Most Worshipful Grand Lodge enjoys. Since our jurisdictional line is a progressive line, it is fitting the Very Eminent Deputy Grand Commander is considered the Grand Commander-Elect to properly plan for his year. This will afford the opportunity to plan appointments and committees far enough in advance and also plan a visitation calendar which can be coordinated through the Masonic Family Alliance and be available on the Website for all to see and have ready access to. The goal here is the elimination (as much as possible) of conflicting Masonic events. Some might say they don't own a computer. The reality is that for occupying this office you cannot afford not to own a computer.

I strongly recommend the Grand Encampment hire the services of a professional public relations firm to develop videos and other training media for use by the Constituent Jurisdictions. I have heard a dozen excuses why this hasn't happened; however, Grand Encampment also needs to change with the times. Modern society is no longer satisfied with poor quality. This will afford the opportunity for polished professional programs. They should also consider the use of historical videos for lecture and training purposes. It is far easier to learn the correct method when seeing it done properly. The Sir Knights learn much quicker when taught the proper way. The proverbial picture being worth a thousand words.

## CONCLUSIONS

This past year has gone by much too quickly; however, time stands still for no man or season. As I reflect on this past year, I see we had success in areas of Masonic Family Relations, inspections and putting the Grand York Rite Bodies on the Internet at our [idahomasons.org](http://idahomasons.org) Website. We had little success in curbing the decline in non-death membership. We failed those Sir Knights, for this I am truly regretful. No major catastrophes have occurred in our Grand Commandery. I have endeavored to provide this Grand Commandery with adequate leadership during my term of office. If I have offended anyone, I apologize that was never my intent I sincerely hope my actions have been satisfactory.

## ACKNOWLEDGEMENTS

To Sir Knight Charles M. Rogers (PGC), who appointed me to this line, Thank You. I don't know what ray of hope you thought of at that time, but I sincerely hope I have measured up at least in part to your expectations. I am deeply grateful to the Sir Knights of this Grand Jurisdiction for allowing me the honor and the privilege of serving as Grand Commander this past year. Believe me, Sir Knights, when I say it truly is an honor and privilege and I will never forget it. It has been a rewarding experience and I offer you my most heartfelt thanks.

To my many fraters who have helped and supported me in these efforts, I thank you. Your wisdom and counsel will always be cherished.

To Sir Knight Dan Beck who has been the editor and author of many of our Idaho Supplement Knight Templar magazine articles. I greatly appreciate your effort on behalf of all Masonry and particularly the Grand Commandery.

To Sir Knight M. William Echo, Eminent Grand Recorder/Treasurer, I give my thanks for keeping me pointed in the proper direction and for your support.

To Sir Knight Kent W. Gist, (PGC) who has chaired the Idaho Education and Student Loan Fund, I offer you my Thanks for a job well done.

To Sir Knight James C. Herndon. I offer my utmost thanks for counsel and your outstanding efforts in accomplishing those tasks necessary to inspire our Constituent Commanderies to stand inspection. You have supported me every step of the way, I hope I can repay your efforts in some small way.

To Sir Knight Ernest I. Teter, Thank You for your valiant efforts on behalf of our Knights Templar Eye Foundation, and for being there when called upon.

To Sir Knights Dave Grindle and Dean Millard, I thank you for providing support not only to the Website, but also to Tactics and Training as well.

To the Sir Knights who traveled North, South, East and West in my Official Visitations, I thank you. At the risk of slighting someone, I will leave it at that.

To my two very special Sir Knights; Wayne L. Ellis, Most Excellent Grand High Priest; Grand Chapter of Royal Arch Masons and David C. Triplett, Most Illustrious Grand Master of the Grand Council of Cryptic Masons, I offer my fraternal love and appreciation and heartfelt thanks. York Rite Unity has truly flourished this past year. I will never forget your support, advice and counsel.

To the many Past Grand Commanders whom I have turned to or have offered me advice, I give thanks.

To my father, Sir Knight Chester W. Curtis, I thank you for providing the guidance and proper Masonic heritage to guide me on my way.

To my bride and Lady Patricia, with whom I'll celebrate my 25th wedding anniversary, two months from today, I offer my deepest love, appreciation and thanks. She has been my support, guide and encouragement, and kept me from straying too far off course or far worse.

Finally, to my Lord and God, I give thee thanks for your support and counsel and providing me the strength and ability to see this year through and try and make a difference for the Sir Knights of Idaho.

To my Officers, I truly Thank You from the bottom of my heart few have failed to respond or questioned when asked to perform a duty even when given little direction. In lieu of gifts, my Lady and I have made a contribution to the Holy Land Pilgrimage Fund.

Very Eminent Deputy Grand Commander; I move this report be adopted and sent to the committees on Division and Reference and Jurisprudence.

Respectfully submitted,  
James L Curtis

## **REPORT OF THE BOARD OF INSPECTION**

*To the Right Eminent Grand Commander; Officers and Sir Knights of the Grand Commandery of Idaho:*

Each of the eight constituent commanderies stood for inspection 2000-2001. The commanderies were judged in two categories:

### **Classification #1:**

The Ten Man Opening (including recitation of duties and the formation of the Triangle), Reception of the Grand Commander, Posting of the Colors and Closing.

### **Results:**

Lewiston #2 and Moscow #3 tied for first place. Gate City #4 was second. Idaho Falls #6, Salmon #9 and Coeur d'Alene #5 also participated in this category.

### **Classification #2:**

The Order of the Temple Degree and the Ten Man Opening (including recitation of duties and the formation of the Triangle). Reception of the Grand Commander, Posting of the Colors and Closing.

Results:

Idaho # I placed first;  
Twin Falls #10 placed second.  
(Only .5 point separated first and second places. The difference probably was due to credit/discount necessarily given for the number of regular officers and the number of substitutes participating.)

In summary, Idaho #1 should receive the first place banner and Twin Falls #10 a second place banner.

In Classification #1, where the commanderies performed part of the work, first place banners go to Lewiston #2 and Moscow#3, who tied, and a second place banner to Gate City #4.

The members of the Board of Inspection again thank the commanderies for their hospitality and congratulate the Sir Knights for their participation and hard work.

Fraternally,  
JAMES C. HERNDON V.E. Deputy Grand Commander  
John P. Lemmon E. Grand Generalissimo  
Theodore A. Fricke, E. Grand Captain General

**PRESENTATION OF BATTLESTREAMERS**

Doctor Francois Trona M.D.

Saint Alphonsus Regional Medical Center.

Note: This was presented to the Director Mrs. Sandra Bruce who greeted us warmly and asked many good questions as to who we were, the origin, and when we started (Templary). Cases performed at that hospital over a term and then for this year, and what she and her staff might do to assist the programs of the Eye Foundation..

Boise Anesthesia: The plaque was presented to Dr. Sandra Thompson M.D. P.A. and I thanked her and her staff for their continued support for the Eye Foundation.

These presentations were made in Templar uniform to fly the Flag of our Order and I am happy to report that we represented the Order of Knights Templar proudly.

Your committee recognizes those who have worked to assure that those in need are served. Sir Knight Robert B. Cargill, Sir Knight M. William Echo, Sir Knight V. Virgil Telford, Sir Knight Charles R. Huskey and Sir Knight Ernest I. Teter for your efforts on behalf of the Knights Templar Eye Foundation, the committee thanks you.

We, your committee, encourages all Sir Knights to get involved in the case work of the Knights Templar Eye Foundation, especially in the Commandery area of Commanderies Nos. 4.,5, and 9. To do a case and help someone to see will indeed warm your heart.

It is requested that one or more Sir Knights from each Commandery be appointed to assist in the work of the Eye Foundation cases in the area of that Commandery. Please do not name a Sir Knight just to fill a square. The Eye Foundation Committee needs your help. Please join us.

Your committee is saddened to report that the Office of the Eye Foundation in Chicago has been remiss in meeting its financial obligations pertaining to the payment to care providers. Sometimes as late as six (6) months or more. After complaints from the care givers, letters were written to the Office of the Eye Foundation with no response to the writer of Care Giver.

Your chairman wrote a letter with a cover letter by the Grand Commander stating he would no longer serve the Eye Foundation until payments were made; however, Dr. Trottas' office called for assistance the day after mailing so my attempt to coerce cooperation and payment failed. My requests to Grand Encampment either fell on deaf ears or protectionism.

**REPORT OF THE FINANCE COMMITTEE**

Considerable discussion was held regarding the financial structure of the Grand Commandery. This committee consists of Arthur Busacker, chairman, Bill Echo, David Volkman, Dave Grindle and James L. Cutis.

## REPORT OF TIME A.ND PLACE COMMITTEE

*A full report of the Time and Place Committee is printed in the Section "General Information for all Grand York Rite Bodies".*

The report was received as given by the committee, and adopted.

Sir Knight Bill Echo, Grand Recorder/Treasurer, addressed the fraters, saying that although this is probably not the time for a resolution or floor motion, he suggested that serious thought be given to holding the Grand Sessions in one or two fixed locations in the coming years. For example, always in Boise, or alternating between Boise and Burley.

## REPORT OF THE EDUCATIONAL FOUNDATION COMMITTEE

*To the Right Eminent Grand Commander, Officers and Sir Knights of the Grand Commandery of Idaho:*

I regret to inform you that there were no bona-fide applications for loans during the year 2000. I urge all members of the Craft to assist in spreading the information about our loan fund. Report back to your Lodges, York Rice, Scottish Rite, and Shrine Bodies, as well as the Youth Groups, Women's Groups, and any other organization that might recommend qualified applicants for loans.

I also regret to inform you that there are a few problem loans. One has been referred to an attorney for collection, and the others are not regular in their installments, but are making some effort, and keep telling me they will do better. We try to be lenient, but some do not respond as well as we might like.

*To the Right Eminent Grand Commander, Officers, and Sir Knights of  
the Grand Commandery of Idaho:*

Your Holy Land Pilgrimage Committee met and selected a minister to sponsor on a trip to the Holy Land. Our first selection was recommended by Gate City Commandery No. 4 in Pocatello. After the selection, Nancy Nagy was informed by her Church Archdiocese that they were forbidding any of the clergy from travelling to the Holy Land. Our Grand Recorder informed me that all of our money was retrieved. We are hopeful that the war in the Middle East will subside and we can send two ministers next year.

Respectfully submitted,

## **REPORT OF THE MEMBERSHIP COMMITTEE**

As of December 31, 2000, there were 752 Knights Templar in the State of Idaho. This Number is down 33 Knights since Dec. 31, 1999. This is a loss of 4%. We had a 5% loss in 1999, so we are doing better. We must continue with the membership programs that have been instituted by the Grand Encampment - the 5 & 50 program. Or a 5% increase in new members and a 50% reduction in non-death losses.

We need to encourage the Blue Lodges to use the Friend to Friend Program to promote their membership. We must attract Masons from Blue Lodge and present programs on York Rite Masonry and Blue Lodge meetings to gain interest in our Order.

Communication with other Masonic Bodies is essential to prevent unnecessary conflicts from occurring that would keep interested Masons from attending our Festivals.

We must overcome apathy and show to our brother Christian Masons how proud we are of the beautiful degrees in Knights Templar. We can attract younger, energetic Masons to our Order.

Sir Knights, we are making progress, and we have a long way to go, but by encouraging membership in our order and by talking to members who demit or are dropped for NPD we can continue to grow.

Remember Sir Knights, every Christian Mason should be a Knight Templar.

Respectfully Submitted,

Theodore A Fricke

Received.

## REPORT OF THE MOST ILLUSTRIOUS GRAND MASTER OF CRYPTIC MASONS OF IDAHO

This has been a wonderful year for me as it should have been. Not being retired and being a schoolteacher, I did not have the right times off to visit other state jurisdictions. It would have been a great opportunity to expand my experiences as a leader and , on a personal level, to expand my circle of friends and Companions. The official visits in this great state were wonderful. Each of the Councils was very accommodating and I was graciously received. Thank you so much for the honors and hospitality extended to all the Grand Council Officers. It was an honor to represent the Grand Council at several functions including being the Master of Ceremonies for a Job's Daughter Installation (Bethel #3)., Visiting a full dress 3rd Degree at the Meridian Lodge by the Wl Korah Players, and representing the York Rite Bodies at the opening of the Grand Court of Amaranth and Installation of Officers.

To the Grand Council Officers that made the effort to attend my official visits, thanks so very much, especially Companion Dave Grindle, who only missed the visit to Idaho Falls because I had gone early the day before to visit my parents in Pocatello. He is a fine example of what we should expect from our officers.

This was a very special year in that all the Grand Officers of the York Rite Bodies were from Boise and close friends. It made for a great fraternal experience. Jim Curtis and Wayne Ellis were so supportive, adjusting their schedules to fit my needs and attending many of my official visits. Thank you so much my Brothers.

During the Official visits to the Councils, I have tried to bring into focus "our purpose" and how we can realize the goals within our group. Masonry takes good men and makes them better, our purpose is to take those good Masons and bring them to further light. The short educational presentation on the Council degrees was well received by all the companions present during the official visits. This focus was to help explain the way we improve our minds and spirits through our ritual work, completing the story of the Word. Let each of us set goals about our personal participation in the Craft, work hard and be patient.

Another area of focus is the ongoing goal to improve communications of the Grand Council to the companions in several areas. First, by appointing an *Ish Sodi* to act as a District Deputy for each of the three geographical dis-

tricts of the state. Each will represent the MIGM and keep him informed of activities. Ish Sodi appointments: Tom Hipple for the Northern Idaho District; John Garner for the Central Idaho District; and Bill Cleaver for Eastern Idaho.

Next, was to attempt to fill some of the Grand Representative appointments and discuss with the Officers of the Grand Council how to hold these appointees accountable for this important office.

Finally, working to create an ongoing e-mail distribution list for *Council* and other *Masonic communications*? I attended the first two organizational meetings for the all Idaho Masonic Family Alliance. This alliance will benefit the craft through solidarity and better communications. One of the first activities will be building an All Masonic Web page. This will help communicate the “what and where” activities on given dates and help in scheduling events.

I have some suggestions for the Companions to consider for the future.

- I. Grand Council Improvements in organization to include job descriptions and responsibilities for all officers. This should include educational training for the officers and the craft in general.
- II. At the Council level, we should establish communication avenues to share activities, schedule of events and needs of the Council through several methods of communication. The newly appointed *Ish Sodi* representatives could be of some real help in accomplishing this goal. I believe the time is at hand when we need to be zealous and work with every new candidate, giving them parts in the degree work and keep in contact through a mentor system. By example we need to show new members the value of our degrees with enthusiasm and commitment. Finding what is lost and rebuilding an old theme of this order.
- III. The North West Regional conference is an opportunity for all Companions to learn a tremendous amount of information about the York Rite structure and the impressive progress of our philanthropies. This is a wonderful opportunity for future officers to receive needed training. I was very proud to return and help with a presentation next year and would appreciate any input from the companions. This will be a joint meeting of all three bodies.
- IV. At the individual level:
  - a. Let's talk Freemasonry at every opportunity. We have a lot to brag about and be proud of the many needs we fill.
  - b. Contemplate “the great value received from the degree work”, asking ourselves “What did I bring home with me from this activity of Degree?”

- c. Show enthusiasm through good work in meeting and degree work. We must labor in the quarries.
  
- V. I think there is a need to address the Shrine/Mason development that has been instituted by the Shrine of North America. Through the newly formed All Masonic Family Alliance of Idaho, the goal is to have business as usual. At the national level, I think that their shortcut will be good for the Shrine in general and give us a reservoir of new candidates that will be receptive to our degrees. We will have to work harder, but that is really an opportunity. I doubt that the building and rebuilding of the Great Temple was done by any thing but hard work.
  
- VI. Let us look at every new situation as a opportunity to bring more light to good men everywhere.

Received and referred to Finance Committee.

At this time, Companion Mathew A. Glenn, M.I. Grand Master of the Grand Council of Western Canada, addressed the Companions.

## EMERGENCY RESOLUTION

The Grand Recorder remarked that some questions had surfaced concerning the number of ballots that a member of the Grand Council might receive at the Grand Council session. For example, 1 as PMIGM, 1 as a Grand Officer, 3 as proxies for the dais officers, etc. He stated that there were no restrictions in our Code of Laws regarding this, and perhaps should be. A Discussion was held concerning the number of ballots that any one Companion should be allowed to receive at the Grand Council Sessions. After several opinions were presented, Companion Burrell Lirgg, PMIGM, moved to consider an emergency resolution to limit the number ballots. This motion was seconded and received an unanimous vote to consider such a resolution. Companion Burrell then moved to amend the Code of Laws to restrict the number of ballots to four that any Companion, who is a member of the Grand Council, may have at any Grand Council session. He proposed that a proper resolution be drawn up and presented at the next Grand Council annual session for ratification, but the number be limited to four in any case, and until an appropriate resolution can be presented and passed. This motion was seconded and passed unanimously. The Grand Recorder volunteered to write such a resolution and present it to the Jurisprudence and Resolution Committees.

Companion Dean Millard moved to secure appropriate aprons for the newly appointed Ish Sodi positions. This motion was seconded. After some discussion, a motion was made and seconded to amend the previous motion to also provide proper jewels for the Ish Sodi. These motions were then voted on and carried successfully. The Grand Recorder will work up a design and have the jewels and aprons made.

The Most Illustrious Grand Master declared the ballot box open.

Companion Gerald A. Ford, R.I. Grand Recorder of the Grand Council of Colorado, was invited to address the Companions, after which the M.I. Grand Master called the Grand Council from labor to refreshment at 10:30 a.m., and back to labor again at 10:58.

Companion James Curtis reported that \$ 253.00 had been collected in this morning's donation to the Holy Land Pilgrimage fund.

## REPORT OF THE JURISPRUDENCE COMMITTEE

*To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:*

We, the members of the Jurisprudence Committee, have met and considered the report of the Most Illustrious Grand Master.

We commend him for using this opportunity to discuss the purposes and goals of the Fraternity, rather than a long dissertation about the nuts and bolts of his administration. We Masons have drifted into a state of being that often seems to make nuts and bolts more important than Masonry.

If he has violated any of the laws of the Order, we are confident the infraction would have been duly publicized at the time of commission, and we feel there has been no significant infractions committed.

We recommend that all members of the Craft take heed, and resolve to go forth and do likewise.

We further commend the Illustrious Grand Master for his skill and assiduity in baking cookies and for his willingness to forget his exalted position and deliver them himself.

This is a preliminary report. If no further questions are presented to us, it will then become the final report.

Respectfully submitted:

Kent W. Gist, PGM Chairman

Dale C. Stoller, PGM

## REMARKS OF THE REGIONAL DEPUTY

Companion Lloyd R. Triggs, PMIGM and Regional Deputy General Grand Master, Northwest Region, of the General Grand Council of Cryptic Masons, International, addressed the Companions bringing greetings from the Companions of Alaska, and some interesting remarks.

## REPORT OF THE COMMITTEE ON THE STATE OF THE CRAFT

*To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council, Cryptic Masons of Idaho:*

We have heard far too often that we are “Doomed to Die” if we continue down the same path that we have been following. We are here to tell you that if we get in too large of a hurry to change things “Just to Keep Our Members”, that we will in most likelihood be on the path to destruction, not as the one to salvation.

In the York Rite, we are instructed in a Belief in God and we feel that this is the one thing in particular that will lead us to salvation not some changed method of getting or attempting to keep members of each of the Rite Bodies.

However, enough of this. In studying the condition of our Grand Council, we find that we are indeed still losing more members than we are gaining. However, probably in response to an increase in activities in our Blue Lodges, we are seeing this decrease in number of members beginning to get smaller than in previous years.

It is the opinion of this committee that if we continue to support the Blue Lodges and their activities in attracting and keeping good members and IN ADDITION continue to support the activities which have been started in this Grand Body to educate and attract Good Men and True in and to this fine organization, that we will indeed see the membership problem dwindle into obscurity.

Respectfully submitted,  
N. Dean Millard

## **REPORT OF THE DISTINGUISHED GUESTS COMMITTEE**

Companion N. Dean Millard gave the interim report of the Distinguished Guests Committee, which turned out to be the final report also. The complete report of the Distinguished Guests Committee will be found in the section "*General Information for All York Rite Bodies*".

## **MEMBERSHIP REPORT**

*To the Most Illustrious Grand Master, Officers, and Members of the Grand Council of Cryptic Masons of Idaho:*

Companions, there is no magical cure to the membership problem. The only cure I hard work. We all know that our membership in the York Rite comes from the Blue Lodges. Since we are all members there, that is where we should work first to obtain new members from them. We can then draw on those new members to help fill our own ranks. The Blue Lodge has several plans to draw new members, but it takes involvement from the Craft to make it work. There are also our Youth Groups that require our involvement to enable them to function and they are a great source of new members.

Therefore, in the opinion of your Membership Committee, the only cure is for us to get involved and work.

Respectfully submitted,  
Frank W. Allen  
William J. Cleaver

## **LUNCH**

The time being 11:50 a.m., the Most Illustrious Grand Master called the Grand Council from Labor to refreshment. The Grand Council was called back from refreshment to labor again at 1:38 p.m.

## AFTERNOON SESSION

### REPORT OF THE COMMITTEE ON CHARTERS AND DISPENSATIONS

Since no Committee on Charters and Dispensations had been appointed, there was no report.

There was, however, no Grand Council activity in this area to report.

Companion Dale Stoller, PMIGM, was called to the West of the Altar and introduced as the General Grand Ambassador to Idaho. The interesting story of obtaining his apron was related and Companion Dale was given a hearty welcome.

At this time, Companion George Carlile, PMIGM of Washington, addressed the Assembly bringing greetings from Companion Eugene d. Alexander, Most Illustrious Grand Master of the Grand Council of Washington.

The Most Illustrious Grand Master, Companion David C. Triplett, addressed the Assembly, remarking on the importance of scheduling our work and of allotting time to complete it.

Companion Lloyd Triggs, PMIGM of Alaska and NW Regional Deputy General Grand Master of the General Grand Council, addressed the Assembly, announcing his candidacy for the position of General Grand Principal Conductor of the Work.

The Grand Recorder addressed the Assembly regarding the Western Regional York Rite Conference and our membership in it. These remarks were followed by remarks from Companion C. David Burgess, PMEGHP of Montana and Executive Secretary of the Conference, and by remarks from Companion Burrell G. Lirgg, PMIGM of Idaho, relating to his association with the later Herbert George Fitz.

The Most Illustrious Grand Master then made his closing remarks, expressing his thanks for the opportunity to serve the Craft as its MIGM and his appreciation for the great cooperation he received from everyone. He then invited Companion Ronald E. Fullerlove, Right Puissant General Grand Recorder of the General Grand Council of Cryptic Masons, International, to address the Assembly.

Companion Fullerlove brought the greetings of Companion Charles F. Van Etten, Most Puissant General Grand Master of the General Grand Council, and spoke of the Cryptic Masons Medical Research Foundation and the recent accomplishments of that group. He related to the decline in membership in Masonry and vowed that any great accomplishment must be preceded by a vision. He wished the Grand Council well and thanked everyone for

the hospitality and courtesies.

There being no further business to come before the Grand Council, the M.I. Grand Master proceeded to close the Grand Council in ample form at 2:40 p.m.

## **REPORT OF THE MOST EXCELLENT GRAND HIGH PRIEST**

*To The Officers and Members of the Grand Chapter, Royal Arch Masons of Idaho*

It is an honor and a pleasure for me on behalf of the Grand Chapter of Royal Arch Masons of Idaho to welcome you to the 93<sup>rd</sup> Annual Convocation of the Grand Chapter.

We extend a sincere welcome to our distinguished guest from the Grand Chapter of Royal Arch Masons, International, from other jurisdictions, and Representatives of other Masonic Organizations.

It is our hope and desire that the Officers and Companions of the Constituent Chapters, actively participate in this Grand Session. This is your Grand Chapter and Grand Session, so make concerns known here today.

## NECROLOGY

The high point of our year was that we did not lose one Officer to the Grim Reaper. We did, however, lose several Companions. Their names were read at the Necrology Report.

## STATE OF THE CRAFT

In general, I found the chapters were struggling to keep their heads above water . In some cases, members from other chapters were needed to have a Quorum. The Grand King, Grand Scribe, and District Deputy Grand High Priests reported to me they found the same problems when they covered the visitations for me. There are about four Chapters in the State that are holding their own. Many Companions are working diligently to save their Chapters. With this kind of determination and help from all Companions, I feel that they will progress and move forward in Royal Arch Masonry.

I am sure that there are several Chapters that will keep struggling to survive. Some nights they cannot even get a Quorum. I am happy to say that the Chapters that I visited were able to get a quorum so we could hold a meeting.

## **BRONZE MEDAL**

There were several very excellent companions recommended for this prestigious award and I must have had difficulty in choosing a worthy recipient. However, only one could be selected and I extend congratulations for his many years of devotion and dedication to Masonry.

## **RECOMMENDATIONS**

I have attempted this year to promote and emphasize our great philan-

thropy, Royal Arch Research Assistance. I would like to see each member in the state to contribute at least one dollar per year to this worthy cause.

## CONCLUSIONS

As I complete my year of Grand High Priest, I look back on the year with some satisfaction and a lot of regrets. It would have been my desire to do much more for Capitular Masonry. As many of you know, I was not able to fulfill my duties because of a severe health problem. To my officers who stood by me in my hour of need and all of the Companions who gave me encouragement, all the prayers throughout the Northwest from Washington to Colorado and all points in-between, a heartfelt thank you. One of my biggest regrets is that I was not able to make my visitations out of State. I hope all of you understand. I am very grateful for the privilege to serve in this office. To our Grand Secretary, William Echo, for his support and enduring my late reports. To the Keystone Conclave Committee for their very fine work in preparing for this Session, a job well done. Anyone that I may have missed, a hearty and grateful thank you. And finally to My Sweetheart, Winnie, and to my Lord, Without either of them I never could have traveled this road. I know that it is because of them I am where I am today.

Fraternally and sincerely

## **YORK RITE ASSOCIATION AND UNITY**

*To the Most Excellent Grand High Priest, Grand Officers, and Companions of the Grand Chapter of Royal Arch Masons of Idaho:*

The York Rite Bodies of Idaho have gained unity and strength through the personal friendships and strong bonds of brotherly love found between the heads of the three bodies, David c. Triplett, Wayne L. Ellis, and James L. Curtis.

Many of the Grand Chapter Officers also hold offices in the other two Grand York rite Bodies. This helps them see the needs and strengths of the other bodies.

Attending the Idaho Masonic Family Alliance meetings was another productive activity of the bodies. Through the meeting and leadership of the Most Worshipful Grand Master, John Sharp, all Masonic Bodies have gained unity.

It is the opinion of this committee that the 1st and 2nd in command of each York Rite Body attend these important IMFA meetings. This program will no doubt create a positive influence with all member bodies and aid in coordinating schedules, through the use of the Idaho Masonic Website.

James Cox

## REPORT OF THE JURISPRUDENCE COMMITTEE

*To the Most Excellent Grand High Priest, Grand Officers, and Companions of the Grand Chapter of Royal Arch Masons of Idaho:*

We concur with the actions of the Grand High Priest.

We find the dispensations granted to be in proper order and in compliance with the existing Code of Laws and Regulations of the Grand Chapter of Royal Arch Masons of Idaho.

We, the committee, find the actions of the bylaws committee were not presented properly as an emergency resolution. To be considered, 100 per cent of the Grand Chapter membership must be favorable to the acceptance of the resolution. We further find the proposed bylaws change should have been formally presented according to Article XXXIX Amendments—to members of the Jurisprudence Committee.

We commend the Grand High Priest for his efforts of administering the affairs of the Grand High Priest.

We Recommend at future dates, the proper procedures be followed.

## NECROLOGY AND BROKEN TRIANGLE REPORT

*To: The Most Excellent Grand High Priest of the Grand Chapter of  
Royal Arch Masons of Idaho.*

*To: The Most Illustrious Grand Master of the Grand Council of Cryptic  
Masons of Idaho.*

*To: The Right Eminent Grand Commander of the Grand Commandery  
Knights Templar of Idaho.*

*To: All the officers, Companions and Sir Knights of the Grand Chapter,  
Council, and Commandery:*

Each year at our Annual York Rite Grand Sessions in Idaho, we pause a moment to reflect on those of our Orders who have laid down their working tools of the Fraternity. Their comfortable and familiar presence seems overwhelming loss, reflection, however, assures us they have passed through the hidden veil and are traveling upon that level of time from which no traveler returns, but where they are will ultimately arrive at that Holy of Holies which we can only imagine and thus we cherish their memory forever.

We are happy to report that our Blessed Savior has left the Lines of the Grand Bodies intact.

We mourn the loss of one distinguished Past Grand Officer who was called to Eternal Rest.

### REUEL DAVID MAULE

Brother, Companion, and Sir Knight Reuel David Maule was born October 6, 1896, at Magnolia, Iowa. Moved to Payette, Idaho, in 1901. Graduated Payette High School 1915. Reuel lived every boy's dream by joining the AIG. Barnes circus as a trombone and tuba player. He joined the Navy in 1917 and served in Europe as an ambulance driver transporting wounded Marines. Reuel was busy with the trades and lumber.

.I bring these things to your attention because here is one of us whose life spanned three centuries and only give dates of his Masonic service.

Brother Reuel was initiated an Entered Apprentice June 21, 1921. Passed to the degree of Fellowcraft October 20, 1921. Raised to the degree of Master Mason December 21, 1921. Exalted as a Royal Arch Mason January 23, 1924. Greeted a Cryptic Mason and Knighted a Sir Knight on April 3, 1924.

A member of El Korah Shrine since April 23, 2914 where he played trombone for 65 years. He was initiated into Lorraine Chapter #20, OES, June 2, 1931.

A true and Faithful Brother among us for 79 years, serving as Master of Washoe Lodge in 1933 and as secretary from 1972 thru 1983. He served as presiding Officer of the York Rite Bodies of Payette and was Secretary, Recorder for 28 years. The smell of R.D.'s good cigar always greeted me on my visits to the York Rite of Payette.

Reuel served as Worthy Patron of Lorraine Chapter six times.

He served the Grand Chapter of Royal Arch Masons of Idaho as its Grand Historian and was honored by the Grand Chapter by being elected Grand Historian Emeritus.

Companion Maule was elected, installed, and served the Grand Council of Cryptic Masons as Most Illustrious Grand Master for the year 1989-1990.

Most Illustrious Companion Reuel laid down his tools of life on January 11, 2001.

Although small in stature, he was a giant among his peers, and his equal will be hard to find. He truly represented those cardinal virtues: Temperance, Fortitude, Prudence, and Justice.

We again offer our sympathy and condolences to his family and friends and offer this prayer in his memory.

**PRELATE:** Lord of all blessings, we give thanks to Thee for the respite from tense concern with the responsibilities and sorrow that seem too great for us to bear. We thank Thee for the peace that comes when we relinquish our own desires, even for those, and things which seem most dear and necessary to us. Lord, may we learn to make our hearts and souls as empty as urns that Thou may fill us with Thy Light and Thy Love, Thy Peace, and Thy Power. In Christ's name, Amen.

**CHARIMAN:** We pause at this time in the business of these York Rite Grand Bodies of Freemasonry to remember Our Companions and Sir Knights, who have answered the call of Our Heavenly Father, those who have laid down the tools of their professions, and the Craft, that may be picked by other willing hands to carry on. For we know full well that while autumn brings the storm and falling leaves, and winter strikes with killing frost, as certainly in spring the branch buds, leafs out, and brings forth fruit, time will heal our wounded hearts, only to make their memories sweeter to us.

The Eminent Grand Recorder will read the roll of those Companions

and Sir Knights who have left our midst to pass through the veil of tears and sit with our Heavenly Father.

**CHARIMAN:** Those Companions and Sir Knights participating in the Tribute will now assemble with the Honor Guard.

**CHAIRMAN:** Our Eminent Prelate will begin the Memorial Service.

**PRELATE:** Let us pray. Our Heavenly Father, we give thanks for each blessing thou places in our lives, and Thy bountiful goodness to us. We humbly ask that you give us strength, wisdom, and fortitude to accept those things we cannot change, for we know that man was born to die, and even the Savior of the World was suffered to die upon the Cross. The loss of those near and dear to us is hard to bear. Strengthen and support us by the competence of Thy Divine Wisdom, we humbly pray. AMEN

**PRELATE:** Man that is born of woman is of few days and full of trouble. He cometh forth as a flower and is cut down.

**SYMBOLIC LODGE:** There is hope of a tree, if it be cut down, that it will sprout again and the tender branch thereof will not cease. This rose is placed in the East, in tribute to those departed members of our Symbolic Lodges and the Companions and Sir Knights of our sister Grand Jurisdictions.

**PRELATE:** I will bring the blind by a way they have not known; I will make darkness light before them, and crooked things straight. These things I will do unto them and not forsake them.

**COMPANION FOR ROYAL ARCH:** Fervency and zeal actuated our Companions and Sir Knights in promoting the noble and glorious work of building the temple of their lives and their labors for all

mankind. This rose is laid in the West as a tribute; may the rosy glow of the setting sun ever remind us of them and their labors.

**PRELATE:** O Lord, support us all day long, until the shadows lengthen and the evening comes, the world is hushed, and the fervor of life is over and our work is done.

**COMPANION FOR THE COUNCIL:** Then in Thy Holy mercy grant us a safe lodging, a holy rest and a lasting peace, for here I behold a broken triangle. This rose is placed in the South for as the sun at meridian height is midway between sunrise and sunset, so is our Cryptic Rite placed between the Chapter and the Commandery.

**PRELATE:** In the beginning was the Word, and the Word was with GOD, and the Word was GOD, and the Word was made flesh and blood and dwelt among us, and we beheld the glory, the glory of the begotten by the Father, full of grace and truth.

**KNIGHT FOR THE COMMANDERY:** Not unto us, O Lord, but unto Thy name give glory. This rose is placed in the North, traditionally a place of darkness; however, the Knights Templar carried the light of Christianity to the darkest corners of the world.

**CHAIRMAN:** Ladies, Companions, Sir Knights, and Friends, you have heard the Tributes, and seen the symbols of affection laid upon the memorial altar in token of their remembrance. To the loved ones of our departed Companions and Sir Knights, we wish to convey our sympathy and love, that they may know we remember them and their fraternal contributions. Let us pray.

**PRELATE:** Our Heavenly Father, as we conclude this memorial service, help us to lay away our sorrows, while yet keeping the memory of our brethren in our hearts. Give us the strength to resume our part of the responsibilities of this day. Inspire us to find the path that leads to building a peaceful world. Make us servants of Thine, that we may be more useful in all we attempt for our fellow man. Help us not to complain of our lot, but help us meet our challenges with willing minds, brave hearts, and ready hands. So much remains to be done, show us what you would have us accomplish. In Thy Name, we pray. AMEN
