## **REPORT OF THE COMMITTEE ON THE STATE OF THE CRAFT**

*To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council, Cryptic Masons of Idaho:*

As has been commented on numerous times in the past, the Craft is dwindling in size. However, we are all heartened by the comments of our Most Worshipful Grand Master of Masons in Idaho, which we have had the pleasure of receiving this morning. With this type of forward thinking and energy, we can look forward to a distinct change for the better in the character of the Craft.

When the Blue Lodge is strong, we also will be strong and I, therefore, commend our Grand Master on his plans and energy. We must, each one of us, make certain that our actions and words support the Grand Master in his plans so that we may also help encourage all men to become Masons and all Masons to become York Rite Masons.

### REPORT OF THE JURISPRUDENCE COMMITTEE

*To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:*

This committee shamefully must admit that neither any member of this committee nor the Grand Recorder has a current copy of the Code of Laws available at this Grand Assembly. This is a blatant violation of the rules.

We believe that the two resolutions adopted this morning should have been read to the Assembly twice before being voted upon. They may have been distributed to the Constituent Councils in advance, but no member of this committee has memory of receiving them.

It is our observation that there has developed an overall atmosphere of laxity in the performance of most members, Officers, and committees of this fraternity. We therefore recommend that all members of committees, all officers, and all members rededicate themselves to a study of the Constitution, Rules, and Regulations and other Masonic protocol, and establish a renewed

standard of operation that will clarify all matters, generate pride in our performance, and help this great fraternity once again attain the standard of excellence that has been its heritage.

We believe that the standards of our everyday words, actions, and appearance are matters of importance if we are to project an image of excellence. We urge every member to wholeheartedly subscribe to the principle that "if it is to be, it is up to me."

*Most Illustrious Grand Master, 2002-03*

**Theodore A. Fricke***Most Illustrious Grand Master, 2002-03*

Theodore A. Fricke was born to Albert W. Fricke and Georgetta Miller Fricke on February 15, 1942 in Rupert, Idaho. His parents were Idaho natives. Albert was born in Mackay and raised in Rupert. Georgetta was raised in Nampa. He had one sister, Anne. He grew up in Pocatello, in a very active Masonic Family. His father was Worshipful Master of Mt. Kinport Lodge and a District Deputy Grand Master. His parents were also active in Eastern Star, serving as Worthy Matron and Patron. Ted was Master Councilor of Pocatello Chapter, now Kirchner Chapter, Order of DeMolay in 1960.

Ted graduated from Pocatello High School in 1960, attended Idaho State University graduating from the School of Pharmacy in 1965. He then attended dental school in Kansas City and graduated in 1969. He had wanted to be a dentist after spending so much time around his uncle, Dr. Lawson Miller, a dentist in Jerome. His uncle was also a Mason and a member of El Korah Shrine and inspired Ted to become a dentist because of his independent lifestyle and the fact that he worked 9 TO 3 with an hour for lunch, and had a lot of toys and spending money. It wasn't until later in his life that Ted found out the reason his uncle had all this was that he was a bachelor.

After graduation from dental school, Ted served in the US Air Force from 1969 to 1972. After which he joined the practice of Dr. Bart Westberg, also a Mason, in Weiser, Idaho. He moved to Boise in 1974 and has practiced dentistry there since.

Ted has been married to Marci Mosman from Nez Perce, Idaho, since 1974. They have one daughter, Diana, who graduated from Idaho State University, May 10, 1997, with a degree in dietetics. Diana is also a graduate of Western Culinary Institute in Portland. She is a research chef with J.R. Simplot Co.

Ted was raised a Master Mason in 1964 by his Father. He is a member of Mt. Kinport Lodge No. 95 and Boise Lodge No. 2. He became a member of Scottish Rite in 1985 and York Rite in 1986. He joined El Korah in 1985. He is very active in the degrees of the Scottish Rite and York Rite and very active in the El Korah Players for several years playing the villain in many melodramas, despite his total inability to act.

Ted has served as High Priest of Boise Chapter No. 3, Royal Arch Masons; Illustrious Master of Idaho Council No. 1, Cryptic Masons; eminent Commander of Idaho Commandery No. 1, Knights Templar; Worthy Patron of Boise Chapter No. 65, Order of Eastern Star; and Potentate of El Korah Temple, A.A.O.N.M.S. He is currently Deputy Grand Commander of the Grand Commandery of Idaho. He is also a member of St Michael Conclave, Red Cross of Constantine; Tabernacle XL, Holy Royal Arch Knight Templar Priests; Clearwater College #135, York Rite College; and the DeMolay Legion of Honor.

## REPORT OF THE GRAND HIGH PRIEST

*To The Officers and Members of the Grand Chapter, Royal Arch Masons of Idaho*

I wish to welcome you all to Burley for the 94<sup>th</sup> Annual Convocation of the Grand Chapter of Royal Arch Masons of Idaho. A very special welcome to all our guests from out of State. Many thanks to you for making the trip. I appreciate the support of all the Idaho delegates who have joined together to participate in the operation of our Grand Chapter.

This past year has been quite a learning experience for me and I wish to thank each of you for the opportunity to serve you as your Grand High Priest.

During my visitation schedule I made many new friends and was able to have some contact with all Chapters in Idaho. The highlight of my final visitation was at Caldwell #19 Jointly held with Payette #8 at Caldwell with a candidate from Mt. Home #24 to exemplify the Royal Arch Degree. The degree was given very well and all work was memorized. I was quite impressed with the attendance of so many Companions traveling so far to participate.

I was pleased to commission the following Companions as Grand Representatives of Idaho near other Grand Jurisdictions:

Comp. Larry L. Amdahl ..... Minnesota  
 Comp. Roy Leeper.....North Dakota

 Comp. Stanley T. Geddes ..... Scotland

I recommended the following Companions and they were later appointed as Grand Representatives of other Grand Jurisdictions near Idaho:

## STATE OF THE ORDER

The problems that seem to be universal in all of our Chapters are lack of new members and losses due to NPD's and death. Attendance at all but one of my visitations had a quorum to open in form. Some Chapters have a regular schedule to perform degrees each year with a team made up of several Chapters together. Some Chapters must have visiting members from other Chapters to obtain a quorum. More interesting programs need to be used to get members to attend regularly.

During my visitations there were many very capable Royal Arch Masons doing good work and determined to continue to serve the Craft. I have no doubt that the Craft will survive these ongoing problems if we set the best examples that we can in our conduct and principles that Masonry teaches us.

Good men who see this will wish to join us. Remember that the candidates we coach in Blue Lodge make very good Royal Arch Masons.

## **RECOMMENDATIONS**

Study the new updated Code of Laws & Regulations and if any revisions you think need to be addressed, file a resolution to be considered by the proper committee and Grand Chapter. Be familiar with the By-Laws of your local Chapters and those of the General Grand Chapter.

## **ACKNOWLEDGEMENTS**

I wish to thank the many Past Grand High Priests who have helped and instructed me in so much of the duties of this office. My special thanks to Past Grand High Priest Charles Huskey, who appointed me to this Grand Line and installed me to this position of Most Excellent Grand High Priest. The Grand Officers cooperation this year has been exceptional. Their attendance at visitations and completion of tasks assigned were very much appreciated.

The District Deputy Grand High Priests have helped very much by organizing and conducting District meetings. The reports they sent to me are very concise and kept me informed of activities ongoing in each District. My thanks to the committee members who have accepted their appointments and are doing most of the work during this Grand Session.

My profound thanks to my wife, Royleen. Her support during my years in the Grand Line and her help, especially this year, allowed me to do many things that I otherwise would not have had time for. Her encouragement and advice has been my inspiration.

And last but not least, Thanks to you, the Royal Arch Masons of Idaho. It has been my pleasure and honor to serve as your Grand High Priest this past year. May Our Father in Heaven look with favor upon each of you.

Fraternally,  
Richard R. Crossler

**REPORT OF THE GRAND HISTORIAN**

*To the Most Excellent Grand High, Officers, and Companions Priest of the Grand Chapter f Royal Arch Chapter of Idaho:*

The following is my report for the year 2001 hope you enjoy it.  
John Gamer, Excellent Grand Historian

The following was copied from a missive written in about 1920 or so.  
The author is unknown and the words copied as he wrote them

A Heap Of Living

There are those who say that American optimism is evasive, unreal, and does not see straight, suffering from stagnating and needing treatment by a optometrist, if there be such a thing. Maybe so.

Perhaps it is sentimentalism, but it is practical too, and Brother Edward Guest is a happy exponent of it. Bright, clear cut, rollicking, touching many aspects of life surely, through with all the old loyalties and pieties, his verse is common sense and set to music.

His philosophy is simple-the world is good if you take it in the right spirit; that is, it is right if you are right. Otherwise, it is all agog and awry. Stay upon the level and do the best you can,-for yourself and everybody, and nothing and go far wrong. Hear music when Father shakes the stove, and eat your chunk of raison pie in thankfulness. When you tackle just feel that you are equal to the job, and it will be done before you know it, without fuss or fume. Be neighborly, have a kind word to say. It is a happy mood, set to easy rhythm and rhyme, which is surely better than the sob-stuff of which we have so much more than we need.

To be sure, such a philosophy overlooks a thing or two, the horrible maladjustments of men and things, and the eternal discontents. But what of it? Was not Hamlet made miserable by thinking he was born to put the worlds to rights? Furthermore, if we are to do our bit in swinging the earth back into its orbit, we must first get right ourselves. Exactly, and that is the good gospel of Guest, which he preaches from the pulpit of the Detroit Free Press. May his tribe increase. There are heaps of livin' left, love twine us, truth to entice us, beauty to lure us, and memory to take us back into the days that come not back. Foxes can talk if you know how to listen, My Paw said so. Owls have big eyes that sparkle and glisten, My Paw said so. Bears can turn flip-flops and climb elm trees, and steal all the honey away from the bees, an' they never mind winter becoz they don't freeze: My Paw said so.

## REPORT OF THE RIGHT EMINENT GRAND COMMANDER

*To the Officers and Members of the Grand Commandery of Knights  
Templar of Idaho:*

Sir Knights:

## INTRODUCTION

I am very happy to welcome you to this 99<sup>th</sup> Annual Conclave of the Grand Commandery of Knights Templar of the State of Idaho. We hope you find this meeting individually instructive, as well as profitable for Knights Templar throughout this Grand Jurisdiction.

I am pleased to welcome so many distinguished visitors. You honor us by being here and your presence adds luster to our deliberations. We are especially honored by the presence of Sir Knight Richard B. Baldwin, Right Eminent Generalissimo, Grand Encampment of Knights Templar of the United States of America, and the personal representative of Sir Knight William Jackson Jones, Most Eminent Grand Master of the Grand Encampment of Knights Templar of the United States of America, and Sir Knight Gerald A. Ford, Right Eminent Departmental Commander, Northwest Department, Grand Encampment of Knights Templar of the United States of America. We are pleased that Sir Knight Bradley A. Cannon, the Most Worshipful Grand Master of Masons of Idaho, is with us.

We hope that your visit is an enjoyable one and that you will return again to renew and cement the friendships formed at this Grand Session. Our warmest fraternal greetings go with you when you return to your Grand Jurisdiction. We want you all to know that your Masonic friendship means a great deal to Idaho Knights Templar.

We are all met here today, Sir Knights, to work for the best interests of Knights Templar. This is your Grand Commandery. I have the privilege of presiding, but the decisions to be made are yours. We have several important items of legislation on the agenda. Due and careful consideration of all items of business is recommended. The future welfare and prosperity of the fraternity in Idaho, in some measure at least, rests upon your actions during our present deliberations.

The time has come for me to give an account of my official acts and recommendations which is submitted for your approval.

## NECROLOGY

Let us pause a moment, Sir Knights, before proceeding with our tasks. This is the hour of remembrance.

“They are not dead who live in hearts they leave behind.”

Recall with me for a moment the memory of brethren cherished.

The Great Architect of the Universe called this year four Past Grand Commanders from their earthly labors: John P. Halliwell, Jr. (1968-1969); Emmette H. Spraker (1975-1976); Charles M. Rogers (1992-1993); and Wayne L. Ellis (1997-1998). They contributed so much to our fraternity and their memories live today enshrined in the hearts of Idaho Knights Templar.

We lost other distinguished Sir Knights during the year and we use these few moments to pay to their memory this tribute of our love and esteem.

“Somewhere back of the sunset,  
Where Loveliness never dies,  
They live in the land of glory  
‘Mid the blue and gold of the skies.  
And we, who have known and loved them,  
Whose passing have brought sad tears,  
Will cherish their memory always,  
To brighten the passing years.”

An appropriate tribute will follow in the Report of the Necrology Committee.

Scheduling conflicts prevented me from attending the Oregon Grand York Rite Sessions and the Grand Court of Idaho, Order of the Amaranth. I sincerely regret missing the fellowship with the members of these Grand Bodies. Sir Knight Richard R. Crossler and Sir Knight Harry Huffer, respectively, ably represented the Grand Commandery and me.

## GRAND REPRESENTATIVE APPOINTMENTS

Commissions as Grand Representative of Idaho near other Grand Jurisdictions were issued to SK Patrick A. Curtis (near Maryland) and SK Charles A. Phillips (near District of Columbia).

I recommended the following Sir Knights to other Jurisdictions near Idaho:

SK John R. Garner (Missouri).

## BY-LAW CHANGES REVIEWED

I received no requests for approval, nor did I grant any changes, to the by-laws of constituent commanderies.

## WARRANT ISSUED

Lawful Warrant No. 2001-01. SK John P. Lemmon, VEDC, Twin Falls Commandery No. 10; SK Quentin R. Vaughn, EC, Lewiston Commandery #2; and SK Thomas E. Hipple, EC, Moscow Commandery #3, appointed and authorized to form and open a Commandery at Lewiston, Idaho, on May 23, 2001, for the purpose of a combined visitation by the Grand Commander to Lewiston Commandery No. 2 and Moscow Commandery No. 3.

## DISPENSATIONS

- No. 1. Coeur d'Alene Commandery No. 5 was granted a dispensation for elections on January 5 or January 12, 2002, at Spirit Lake, Idaho, because of inclement weather and a fallen tree that damaged the Masonic Building where the Commandery normally meets. See Article XXV, Sec. 263. The Commandery was directed to comply with the quorum requirements of Article XXIV, Sec. 251. An alternative meeting place at Rathdrum was authorized. The request for a dispensation for installation of officers was denied because it was not necessary. See Article XXVIII, Sec. 293, Constitution, Laws, and Regulations of the Grand Commandery, K.T. of Idaho.
- No. 2. Idaho Commandery No. 1 was granted a dispensation to hold an open installation of officers on Thursday, December 20, 2001, and thereafter attend an open installation of the officers of Boise Assembly No. 137, Social Order of the Beauceant. The installations were held at the Masonic Temple, Boise, Idaho. See Regulation PL. Public Appearance.
- No. 3. Lewiston Commandery No. 2 and Moscow Commandery No. 3 were granted a dispensation to hold a joint conclave at Lewiston, Idaho, on May 23, 2001, for the purpose of the Grand Commander's visitation, provided the quorum requirement of Article XXIV, Sec. 251, was met. This dispensation was issued in conjunction with Warrant No. 2001-01.
- No. 4. Salmon Commandery NO. 9 was granted a dispensation to attend on December 18, 2001, an open meeting of Hugh Duncan Chapter No. 2, Order of the Eastern Star, at the Masonic Temple, Salmon, Idaho, and present Salmon Commandery's Christmas Observance at that time and place. See Regulation PL. Public Appearance.
- No. 5. Salmon Commandery No. 9 was granted a dispensation to hold a special conclave on Thursday, February 21, 2002, for the purpose of inspection by SK Theodore A. Fricke, EGG.

## GENERAL ORDERS

- General Order No. 1. The constituent Commanderies were ordered to report in writing to the Grand Prelate of the death of a Sir Knight belonging to its respective commandery.
- General Order No. 2. All Grand Commandery Officers, Constituent Commanders, and Recorders were directed to attend the Northwest Regional Workshop October 18-20 at Boise, Idaho.
- General Order No. 3. Constituent Commanderies were ordered to hold a traditional Christmas Observance.
- General Order No. 4. Constituent Commanderies were ordered to hold a traditional Easter Observance.
- General Order No. 5. Pursuant to the powers and authority conferred upon the Grand Commander by law including but no limited to By-Laws, Article XII, Sec. 112, a cash and back account audit and review was ordered to be performed by an independent accountant. The purpose of the review was for the protection of the individuals supervising the accounts, who had indicated that they would retire in the year 2002.

## THE KNIGHTS TEMPLAR EYE FOUNDATION

The Knights Templar Eye Foundation remains our number one philanthropy. People in our local communities recognize Knights Templar for the work we do to improve the vision of needy children and adults alike.

SK Ernest I. Teter, KCT, has ably directed the 34<sup>th</sup> Annual Voluntary Campaign for the Knights Templar Eye Foundation in Idaho. Through his leadership several of the constituent commanderies are now 100% Life Sponsored. Idaho Commandery No. 1 is also contributing to make our other commanderies Life Sponsored.

Idaho still receives much more assistance than we give in contributions to the Foundation. In per capita giving, we rank in the lower third of the commanderies in the nation. We are improving and offering new ideas to raise money. For instance, SK Teter observed that the President of the United States had asked all school children to send him \$1.00 for the children of Afghanistan. The children did and gave over one million dollars. So SK Teter asked that we Templars show our support for the Eye Foundation by

each sending the Grand Commander \$5.00 bill. I have received \$145.00. I also made a \$100.00 contribution as a gift to my Grand Officers.

We need to do better and we can in our support for the Eye Foundation.

## **HOLY LAND PILGRIMAGE**

The military conflicts, and terrorism – more like a war – raging in Israel and Palestine prevented us for the second year in a row from sending a minister to the Holy Land. Last year we selected a clergy person from Pocatello only to have the State Department talk her out of going. This year our Most Eminent Grand Master, concerned about the safety and welfare of the participants, cancelled the Holy Land Tour. The Holy Land Pilgrimage remains, however, one of our top priorities. When you observe the reverent glow emanating from the face of a priest, pastor, or minister who has returned from a pilgrimage to Jesus' homeland, you will understand why the Holy Land Pilgrimage program is so important. This year we have the resources to send two ministers.

Remember that your contributions are tax deductible. We must continue to do our very best to promote this worthy cause.

## **THE STATE OF THE ORDER**

The State of the Order for Idaho Knights Templary can be summed up in one word: Improving. We are out of “intensive care” but we are not off the critical list yet. We are slowly but steadily improving. We must continue to think and act positively.

When you elected me last year as Grand Commander, I set forth three principal goals: proficient ritual, increased membership, and active philanthropies.

Our ritual work has improved and we are doing more of it. For the second straight year all constituent commanderies had a quorum at the Grand Commander's visitation and also when SK Ted Fricke, EGG, came for inspection. The inspection results will be presented in EGG Fricke's report. Degrees were conferred in all areas of our jurisdiction. We now have candidates, but are challenged to find available dates to perform the work. All constituent commanderies except one have at least one Sir Knight. All commanderies have candidates progressing in the York Rite Degrees.

We again lost the membership race. Our numbers fell from the low 700s to 686. Deaths are the principal cause; but on a positive note we also eliminated from our roles names that have been carried for years although no longer active or dues paying. We need to continue the Grand Encampment's membership program, five per cent/plus one. We must use in our daily routine such programs as SK Dave Triplett's PowerPoint presentation on York

Rite. We should share more aggressively Knights Templary with Blue Lodge members and Shriners. In addition, we need to timely share the ritual with our new candidates. Remember, all Christian Masons should be Knights Templar.

Knights Templars are called to serve and benefit mankind. Our Eye Foundation, Educational Foundation, and Holy Land Pilgrimage programs are all ways that we can be “ever ready to defend the weak, the innocent, the helpless, and the oppressed...”. Please be generous of your time and assets. Each one of us needs to work as hard as SK Kent Gist, PGC, does on the Educational Foundation. He has done an excellent job in monitoring our loan funds.

One of the best methods I have found to assist in our recovery and growth in Idaho Templary – and a program I recommend to continue – is the long-range planning process proposed by the Grand Encampment. The long-range plan allows us to focus on what we want to achieve. An annual budget is a material part of a long or short range plan. Also, in order to maintain continuity, the person elected as Deputy Grand Commander should automatically become Grand Commander. This procedure allows for efficient planning. The By-Law Committee, under the direction of Chairman James L. Curtis, PGC, has revamped and updated our laws. The committee’s work along with other recommendations will be presented in the form of resolutions for consideration by the Grand Commandery.

## ACKNOWLEDGEMENTS

SK Gist appointed me in the Grand Commandery Line and got me started on a wonderful journey, for which I will also be grateful. My wife, Tommye, gave me her help and support and kept me focused (and kept me awake while I was driving). I thank her for her love and support.

SK M. William (Bill) Echo, PGC, ECR/T, has given us a great legacy and a challenge. Now that he is retiring we must start a new era with a new Grand Recorder/Treasurer, and build upon the base that he has left us. He has been an invaluable advisor and help to those of us who have come up the Grand Commandery Line. Bill, to you we give our heartfelt appreciation and thanks.

To my Officers, including SK Dan Beck who has authored and edited most of our Knights Templar Supplement magazine, I truly thank you for your support allowing me to have this wonderful year.

## CONCLUSION

Templary is one of the finest and most worthwhile fraternal organizations in the world. You bestowed upon me a great privilege and honor when you elected me, Grand Commander. Because of your efforts, I leave this

office knowing that we will soon be removed from the critical list. We have all of the ingredients necessary to represent Christ our Savior in the world and benefit mankind.

Knights Templar are builders of a better world. We build by patterning our life and service after the Blessed Emmanuel whom we are called to serve. We are builders described in Will Allen Dromgoole's poem "The Bridge Builder".

An old man going a long highway  
Came at evening, cold an gray,  
To a chasm vast and wide and steep,  
With waters rolling cold and deep.

The old man crossed in the twilight dim-  
The sullen stream had no fears for him;  
But he turned when safe on the other side,  
And built a bridge to span the tide.

"Old man," said a fellow pilgrim near,  
"You are wasting your strength with building here.  
Your journey will end with the ending day.  
You never again will pass this way.

You've crossed the chasm, deep and wide;  
Why build you this bridge at eventide?"  
The builder lifted his old fray head.  
"Good friend, in the I have come," he said.

"There followeth after me today  
A youth whose feet must pass this way.  
The chasm that was as nought to me  
To that fair-haired youth may a pitfall be;

He, too, must cross in the twilight dim-  
Good friend, I am building the bridge for him."

## **REPORT OF THE INSPECTION COMMITTEE**

*To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Idaho:*

We conducted a two-fold inspection this year. Some commanderies were inspected on the ten man opening and some were inspected on the ten man opening and the order of the temple.

Idaho #1 and Twin Falls #10 stood for inspection on the order of the temple and the ten man opening. The rest of the commanderies stood for inspection on the ten man opening. Lewiston #2 and Moscow #3 combined for their inspection.

I want to congratulate all the commanderies on doing their best and trying to fill all the offices. We still need a lot of work but with the help of the Grand Commandery and the Commanders of the various commanderies we can do a lot better. All but one of the commanderies in the state stood for inspection. This is a good record but I am sure next year they will all be inspected.

The 2001 Tactics Book will be the one used for the ten man opening in the future and I would like to be certain all commanderies have several copies on it. It is still a work in progress but in time it will function very well.

Gate City Commandery #4 won the ten-man opening. Idaho Commandery #1 won the Order of the Temple and ten-man opening.

\$429.00 of the expense was incurred as collection costs on a loan. There is still a \$500.00 balance on the loan.

\$1,246.52 is outstanding on a loan that the guarantor has been unable to pay. \$4,940 is outstanding on a loan made to a borrower who has filed bankruptcy, but maintains she will get it repaid.

All other loans are performing, two of them slow, but now regular. Two others that were slow and troublesome last year have been making regular payments the past few months.

The books are now in the hands of an auditor.

I recommend that the Committee be again made up of five Sir Knights, with the Recorder/Treasurer as an ex-officio member, and that a decision be made as to whether to write off the two non-performing loans.

I urge all Knights to be aware of this fund and to make it known among your acquaintances. There is no requirement for a Masonic connection to receive a loan, but we prefer the borrowers be recommended by a member of the Craft.

**REPORT OF THE JURISPRUDENCE COMMITTEE**

*To the Right Eminent Grand Commander, and Sir Knights of the Grand

We your committee on Jurisprudence wishes to report on the actions of the Right Eminent Grand Commander.

We have reviewed his report and offer the following:

We concur with his appointments of Grand Representatives.

We find Warrant No. 2001-01 to be improper; the opening of a Commandery by Warrant is for formation of new Commanderies only. Therefore the proper vehicle to accomplish the given task was to issue Special Dispensation's to the three Commanderies involved to hold a joint meeting.

We concur the Dispensations listed are in proper format.

We concur with the General Orders Issued.

We concur with the action on Resolutions KT02-01, Withdrawal of KT02-02, Actions on KT02-03, KT02-04, KT02-05 and Withdrawal of KT02-06.

We concur and congratulate him on his vision and leadership of the Grand Commandery of Idaho.

## **REPORT OF THE TACTICS AND TRAINING OFFICER**

*To the Right Eminent Grand Commander, Grand Commandery of  
Knights Templar State of Idaho:*

Your Tactics and Training Officer is pleased to report that progress is being made in the implementation of the GRAND COMMANDERY OF IDAHO FULL FORM OPENING and TACTICS Dated 2001. Our Tactics were found to be in proper format and adopted at the 2001 Grand Conclave.

However, much remains to be accomplished by the Sir Knights in this Jurisdiction. The Constituent Commanderies were provided copies of the video on Sword Manual and Ten Man Opening. Some Commanderies have utilized this instructional media; however, some have not. The Board of Inspection made a concerted effort to distribute copies of the approved GRAND COMMANDERY OF IDAHO FULL FORM OPENING and TACTICS, as has the Grand Commander and the Tactics Officer.

I believe the initial inroads have been established. I feel from the comments received that the Commanderies are attempting to make the commitment to learn and become proficient in the Tactics. I wish to recognize SK. N. Dean Millard, who has been the unofficial keeper of the Tactics, for his assistance and advice on improving our floor work. His efforts and good counsel are much appreciated.

I thank you for the privilege of serving as your Tactics and Training Officer.

## NECROLOGY AND BROKEN TRIANGLE REPORT

*To: The Most Excellent Grand High Priest of the Grand Chapter of Royal Arch Masons of Idaho.*

*To: The Most Illustrious Grand Master of the Grand Council of Cryptic Masons of Idaho.*

*To: The Right Eminent Grand Commander of the Grand Commandery Knights Templar of Idaho.*

*To: All the officers, Companions and Sir Knights of the Grand Chapter, Council, and Commandery:*

Each year at our York Rite Grand Sessions in Idaho, we pause a moment to reflect on those of our Orders who have laid down their working tools of the Fraternity. Their comfortable and familiar presence seems overwhelming loss, reflection, however, assures us they have passed through the hidden veil and are traveling upon that level of time from which no traveler returns, but where they are will ultimately arrive at that Holy of Holies which we can only imagine and thus we cherish their memory forever.

We are happy to report that our Blessed Savior has left the Lines of the Grand Bodies intact.

We mourn the loss of four distinguished Past Grand Officers who were called to Eternal Rest.

These were giants among their peers, and their equals shall be hard to find. They truly represent those Cardinal Virtues—Temperance, Fortitude, Prudence, and Justice. We again offer our sympathy and condolences to their families and friends and Humbly offer this Prayer in their memory.

**PRELATE:** Lord of all blessings, we give thanks to Thee for the respite from tense concern with the responsibilities and sorrow that seem too great for us to bear. We thank Thee for the peace that comes when we relinquish our own desires, even for those, and things which seem most dear and necessary to us. Lord, may we learn to make our hearts and souls as empty as urns that Thou may fill us with Thy Light and Thy Love, Thy Peace, and Thy Power. In Christ's name, Amen.

We pause at this time in the business of these York Rite Grand Bodies of Freemasonry to remember Our Companions and Sir Knights, who have answered the call of Our Heavenly Father, those who have laid down the tools of their professions, and the Craft, that may be picked by other willing hands to carry on. For we know full well that while autumn brings the storm and falling leaves, and winter strikes with killing frost, as certainly in spring the branch buds, leaf out, and brings forth fruit, time will heal our wounded hearts, only to make their memories sweeter to us.

The Eminent Grand Recorder will read the roll of those Companions and Sir Knights who have left our midst to pass through the veil of tears and sit with our Heavenly Father.

**CHARIMAN:** Those Companions and Sir Knights participating in the Tribute will now assemble with the Honor Guard.

**CHAIRMAN:** Our Eminent Prelate will begin the Memorial Service.

**PRELATE:** Let us pray. Our Heavenly Father, we give thanks for each blessing thou places in our lives, and Thy bountiful goodness to us. We humbly ask that you give us strength, wisdom, and fortitude to accept those things we cannot change, for we know that man was born to die, and even the Savior of the World was suffered to die upon the Cross. The loss of those near and dear to us is hard to bear. Strengthen and support us by the competence of Thy Divine Wisdom, we humbly pray. AMEN

**PRELATE:** Man that is born of woman is of few days and full of trouble.  
He cometh forth as a flower and is cut down.

**SYMBOLIC LODGE:** There is hope of a tree, if it be cut down, that it will sprout again and the tender branch thereof will not cease. This rose is placed in the East, in tribute to those departed members of our Symbolic Lodges and the Companions and Sir Knights of our sister Grand Jurisdictions.

**PRELATE:** I will bring the blind by a way they have not known; I will make darkness light before them, and crooked things straight.  
These things I will do unto them and not forsake them.

**COMPANION FOR ROYAL ARCH:** Fervency and zeal actuated our Companions and Sir Knights in promoting the noble and glorious work of building the temple of their lives and their labors for all mankind. This rose is laid in the West as a tribute; may the rosy glow of the setting sun ever remind us of them and their labors.

**PRELATE:** O Lord, support us all day long, until the shadows lengthen and the evening comes, the world is hushed, and the fervor of life is over and our work is done.

**COMPANION FOR THE COUNCIL:** Then in Thy Holy mercy grant us a safe lodging, a holy rest and a lasting peace, for here I behold a broken triangle. This rose is placed in the South for as the sun at meridian height is midway between sunrise and sunset, so is our Cryptic Rite placed between the Chapter and the Commandery.

**PRELATE:** In the beginning was the Word, and the Word was with GOD, and the Word was GOD, and the Word was made flesh and blood and dwelt among us, and we beheld the glory, the glory of the begotten by the Father, full of grace and truth.

**KNIGHT FOR THE COMMANDERY:** Not unto us, O Lord, but unto Thy name give glory. This rose is placed in the North, traditionally a place of darkness; however, the Knights Templar carried the light of Christianity to the darkest corners of the world.

**CHAIRMAN:** Ladies, Companions, Sir Knights, and Friends, you have heard the Tributes, and seen the symbols of affection laid upon the memorial altar in token of their remembrance. To the loved ones of our departed Companions and Sir Knights, we wish to convey our sympathy and love, that they may know we remember them and their fraternal contributions. Let us pray.

**PRELATE:** Our Heavenly Father, as we conclude this memorial service, help us to lay away our sorrows, while yet keeping the memory of

our brethren in our hearts. Give us the strength to resume our part of the responsibilities of this day. Inspire us to find the path that leads to building a peaceful world. Make us servants of Thine, that we may be more useful in all we attempt for our fellow man. Help us not to complain of our lot, but help us meet our challenges with willing minds, brave hearts, and ready hands. So much remains to be done, show us what you would have us accomplish. In Thy Name, we pray. AMEN

## **REPORT OF THE YORK RITE ASSOCIATION AND UNITY COMMITTEE**

The leaders of the Chapter, Council, and Commandery have conferred together many times during this last year. We have coordinated our visitations and joint meeting schedules to adjust conflict with each other. Our advance schedules were exchanged before the printing of the advance proceedings to eliminate problems with overlap. Several adjustments were made on each of our reports to accomplish this. Continuing contact has made our work here at Grand Sessions much easier. John Lemmon not being present is unfortunate. He had a big part in this association.

Respectfully submitted,  
Richard R. Crossler, M.E.G.H.P.  
James C. Herndon, R.E.G.C.
