GRAND YORK RITE OF IDAHO

DIVINE SERVICES

Divine Services this year began at 6 p.m., April 22, 2005, at the Eagle Rock Lodge No. 19 Temple. Sir Knight Peter Furno, Jr., Excellent Grand Prelate, officiated during the service presenting a very interesting talk on preserving our religious freedom. After SK Furno's message, the report of the Necrology and Broken Triangle Committee was conducted by Sir Knights James L. Curtis and David A. Grindle under the direction of Sir Knight Ernest I. Teter.

After the services, a delicious dinner was prepared by Henrietta Eastern Star Chapter #21 and Idaho Falls Eastern Star Chapter #85 and served the Jobs Daughters of Bethels #47 and #59 to 54 Sir Knights and Ladies. The total contributions from the meal were \$330. This was divided evenly among the three philanthropies.

A full report of the Necrology and Broken Triangle Committee is included in the section "*Joint Grand York Rite Bodies*".

Companions McGinnis and Curtis presented the General Grand Chapter Bronze Medal to Companion Jacob W. Gundy of Caldwell Chapter No. 19. Companion McGinnis then presented the Past Grand High Priest's Plaque and pin to Companion Curtis on the successful completion of his term.

The mike was then turned over to Companion Smith, and he requested Companion Cox to join him at the podium. Companion Cox proceeded to present the Cryptic Mason of the Year Award to Companion Harry L. Huffer of King Solomon Council No. 4. The next presentation was the Cryptic Mason Youth Leadership Award for Melody Small of Coeur d'Alene who assists with the Jobs Daughters. Ms. Small was not present and will be presented the award at a later date. Companion Smith then presented the Past Grand Illustrious Master's plaque, lapel pin, and certificate to Companion Cox.

The podium was then relinquished the mike to Sir Knights Baldwin and Siron who then presented the Past Grand Commander's plaque to Sir Knight Millard for his service as Grand Commander.

Brother, Companion, and Sir Knight James C. Herndon was called to the podium for a few words and thoughts from the Grand Master. As a judge, he was reluctant to give up the mike, but after some very inspiring remarks he relinquished the mike to MC Teter. MC Teter thanked all for their attendance and, after a few remarks, asked Companion and Sir Knight Furno to pronounce the benediction, and then adjourned the banquet in peace and harmony.

REPORT OF THE COMMITTEE ON FINANCIAL REVIEW

To the M.E. Grand High Priest, M.I. Grand Master, and R.E. Grand Commander of the Grand York Rite Bodies of Idaho:

We, the undersigned, your committee on financial review report to the combined YORK RITE BODIES, we have conducted a Financial Review of the consolidated balance sheets, statements, receipts, and documents of the separate bodies. The Balance sheets, statements, receipts and documents for the Grand York Rite year ending December 31, 2004 were reviewed for accuracy and regularity. This committee wishes to report the ledgers, balance sheets and documents appear to be regular and in order. The prepaid life membership fund and York Rite Objectives account balance sheets were also examined and found to be in order. Some Chapters, Council's and Commandery's continue to be late in filing the monthly reports. That not only results in the Grand Secretary/ Recorder being late in providing information to this and other committees, but also results in this committee being late in submitting its annual report. Companions and Sir Knights we encourage all the constituent Secretary/Recorders to be timely in filing the monthly reports.

We wish to commend the Grand Secretary/Recorder/Treasurer for a job well done in accurately maintaining the Grand York Rite ledgers, balance sheets and documents.

Respectfully submitted,
James L. Curtis, Chairman
Richard R. Crossler

PRELIMINARY REPORT OF THE JOINT COMMITTEE ON FINANCE

To Most Excellent Grand High Priest; Officers and Companions of the Grand Chapter of Royal Arch Masons in Idaho; Most Illustrious Grand Master, Officers and Companions of the Grand Council of Cryptic Masons in Idaho; Right Eminent Grand Commander, Officers and Sir Knights of the Grand Commandery of Knights Templar in Idaho:

We your Joint Committee on Finance wish to report the Finances of these Grand York Rite Bodies are in moderate health but could be better.

This Joint Committee has met when necessary from time to time throughout the past Grand York Rite Year and these meetings have continued into this year. Accompanying this Preliminary Report are proposed budgets for consideration by the delegates. Based upon the action of the delegates

your Committee will have recommendations to be made at the Grand York Rite Sessions.

These proposed budgets require supplementation from the General Fund balance. These funds are available and we can continue to supplement the expenses for approximately eight (8) years before depleting them. It becomes a matter of "Pay me now, or Pay me later!" We recognize the need and also not to totally deplete the surplus. In order to partially take this matter into consideration, the following recommendations are made.

For the 2005-2006 Grand York Rite Year we propose the Per Capita Tax per member be set as follows: Grand Chapter \$9.00; Grand Council \$9.00; Grand Commandery \$13.00. This proposal is the same per member for all three bodies as last year. There are other sources of funding available and additional recommendations will be made at the Grand Sessions.

The Delegates will be considering a small volume of Legislation. If the Grand York Rite uses the same formula the Grand Lodge of Idaho AF & AM uses for determining the final cost of printing changes to the respective Code of Laws, it costs approximately \$100.00 per page/ Resolution. This Committee finds perfectly acceptable alternative means of completing this requirement exist.

REPORT OF THE NECROLOGY AND BROKEN TRIANGLE COMMITTEE

To The Most Excellent Grand High Priest of the Grand Chapter of Royal Arch Masons of Idaho;

To The Most Illustrious Grand Master of the Grand Council of Cryptic Masons of Idaho;

To The Right Eminent Grand Commander of the Grand Commandery Knights Templar of Idaho; and To All Officers, Companions, and Sir Knights of the Grand Chapter, Council, and Commandery:

CHAIRMAN:

Those Companions and Sir Knights participating in the Tribute will now assemble with the Honor Guard.

Each year at our York Rite Grand Sessions in Idaho, we pause a moment to reflect on those of our Order who have laid down their working tools of the Fraternity. Their comfortable and familiar presence seems an overwhelm-

ing loss. Reflection, however, assures us they have passed through a hidden veil and are traveling upon that level of time from which no traveler returns, but where we can only imagine and thus we cherish their memory forever.

We are most happy that our Blessed Savior has left the lines of the Grand Bodies intact.

We mourn the loss of three distinguished Past Grand Officers who were called to Eternal Rest.

He was called by his Lord on March 7, 2005.

PRELATE:

Lord of all blessings, we give thanks to Thee for the respite from tense concern with the responsibilities and sorrow that seem too great for us to bear. We thank Thee for the peace that comes when we relinquish our own desires, even those, and the things we hold most dear and necessary to us. Lord may we learn to make our hearts and souls as empty urns that Thou may fill us with Thy Light and Love, Thy Peace, and Thy Power. In Christ's Name we pray. AMEN.

CHAIRMAN:

We pause at this time in the business of these York Rite Grand Bodies to remember our Companions and Sir Knights, who have answered the call of our Heavenly Father, those who have laid down the tools of their professions and the Craft that they may be picked up by other willing hands to carry on. For we know full well that, while Autumn brings the storm and falling leaves, and Winter strikes the killing frost, as certainly in Spring the branch buds, leaf out, and brings forth fruit, only to make their memories sweeter to us.

CHAIRMAN:

The Eminent Grand Recorder will call the roll of those Companions and Sir Knights who have left our midst to pass through the veil of tears and sit with our Heavenly Father.

GRAND RECORDER:

CHAIRMAN:

Our Eminent Prelate will begin the Memorial Service.

PRELATE:

Let us pray. Our Heavenly Father we give thanks for each blessing Thou

places in our lives, and Thy bountiful goodness unto us. We humbly ask that you give us the strength, wisdom, and fortitude to accept those things we cannot change, for we know that man is born to die, and even the Savior of the world was suffered to die upon the Cross. The loss of those dear to us is hard to bear. Strengthen and support us by the competence of Thy Divine wisdom, we humbly pray. AMEN

PRELATE:

Man that is born of woman is of few days and full of trouble. He cometh forth as a flower and is cut down.

SYMBOLIC LODGE:

There is hope of a tree, if it be cut down, that it will sprout again and the tender branch thereof will not cease. This Rose is placed in the East, in tribute to those departed members of our Symbolic Lodges and the Companions and Sir Knights of our Sister Grand Jurisdictions.

PRELATE:

I will bring the blind by the way they have not known; I will make darkness light before them, and crooked things straight. These things I will do unto them and not forsake them.

COMPANION FOR THE ROYAL ARCH:

Fervency and Zeal actuated our Companions and Sir Knights in promoting the noble and glorious work of building the temple of their lives and in their labors for all mankind. This Rose is laid in the West as a tribute; may the rosy glow of the setting sun ever remind us of them and their labors.

PRELATE:

O Lord, support us all the day long, until the shadows lengthen and the evening comes, the busy work is hushed, and the fever of life is over and our work is done.

COMPANION FOR THE COUNCIL:

Thee in Thy Holy mercy grant us a save lodging, a Holy rest and lasting peace, for here I behold a broken triangle. This Rose is placed in the South for, as the sun at meridian height is midway between sunrise and sunset, so is our Cryptic Rite placed between the Chapter and the Commandery.

PRELATE:

In the beginning was the Word, and the Word was with God, and the Word was God, and the Word was made flesh and blood and dwelt among us, and we beheld the glory of the only begotten by the Father, full of grace and truth.

KNIGHT FOR THE COMMANDERY:

Not unto us O Lord, not unto us, but unto Thy name give glory. This

Rose is placed in the North, traditionally a place of darkness; however, the Knights Templars carried the light of Christianity to the darkest corners of the world.

CHAIRMAN:

Ladies, Companions, Sir Knights and Friends, you have heard the tributes, and seen the symbols of affection laid upon the Memorial Altar in token of their remembrance. To the loved ones of our departed Companions and Sir Knights we wish to convey our sympathy and love, that they know we remember them and their fraternal contributions. Let us pray!

PRELATE:

Our Heavenly Father, as we conclude this Memorial Service, help us to lay away our sorrows, while yet keeping the memory of our brethren in our hearts. Give us the strength to resume our path of responsibilities of this day. Inspire us to find the path that leads to a peaceful world. Make us servants of Thine that we may be useful in all we attempt for our fellow man. Help us not to complain of our lot, but help us to meet our challenges with willing hands, brave hearts, and ready hands. So much remains to be done; show us what you would have us accomplish. In Thy name we pray. AMEN

CHAIRMAN:

Reverently, and Fraternally submitted,
Joint Committee on Necrology and Broken Triangle
Ernest I. Teter, William K. Curtis, Jr., David A. Grindle

I request this report be received and placed on file.

REPORT OF THE YORK RITE ASSOCIATION & UNITY COMMITTEE

To the Most Excellent Grand High Priest, Most Illustrious Grand Master, Right Eminent Grand Commander, Companions and Sir Knights:

The unity among the three Grand Heads of the York Rite Bodies of Idaho has been good this year. They have done several joint visitations together and that really worked well. Also, the Grand High Priest and the Grand Commander took advantage of living in the same area and traveled together to a few joint visitations. This time spent with each other was a good chance to reconnect with the other Bodies of the York Rite.

REPORT OF THE GRAND SECRETARY/RECORDER

To the Most Excellent Grand High Priest, Officers and Companions of the Grand Chapter of Royal Arch Masons of Idaho;

To the Most Illustrious Grand Master, Officers and Companions of the Grand Council of Cryptic Masons of Idaho; and

To the Right Eminent Grand Commander, Officers and Sir Knights of the Grand Commandery of Knights Templar of Idaho:

This is the report of the Grand Secretary/Recorder for the calendar year 2004. In trying to make things easy and more up-to-date, the Grand Secretary/Recorder tried some things that didn't work very well and were not effective. They are being changed this year. I did get new Life Membership Cards printed and was able to get regular dues receipts printed for each Chapter. Some refinement in the process of getting those out to the Chapters needs to be worked on. I was able to publish the 2004 Proceedings in a timely manner although a little late according to the guidelines because of the loss of the disk drive, but they were posted on the web site by 1 October. I continue to attempt to keep the Office of the Grand Secretary/Treasurer up-to-date with software upgrades as necessary to stay current on new capabilities of the software. Annual Reports were received from all 14 Chapters, all seven (7) Councils, and all eight (8) Commanderies. Annual returns were emailed to all Chapters capable of receiving attachments and opening them. Four (4) Chapters, two (2) Councils, and one (1) Commandery were not capable of receiving e-mailed annual return forms and mailed them by snail mail in time to meet the requirements of the Code of Laws. All the other email portions of the returns were received in a timely manner. Only one (1) Chapter, one (1) Council, and one (1) Commandery had difficulty getting the Recapitulation Page on file or postmarked by February 15 and, therefore, was late arriving in the mail. A late fee was assessed and paid.

Respectfully submitted,
David A Grindle
Grand Secretary/ Recorder

The Grand Council of Idaho and I, as Grand Illustrious Master, were represented at the Grand Sessions of Montana by David Grindle, Grand Recorder, Colorado by Arthur Busacker, Grand Captain of the Guard, and British Columbia by Anthony Such, Grand Chaplain. Robert (Pete) Cargill, Grand Conductor of the Council, represented me at the Grand Chapter of Eastern Star.

Visitations to Moscow #6 and Emerald #8 were made concurrently with the Most Excellent Grand High Priest and the Right Eminent Grand Commander. King Solomon #4, Bannock #2, and Jeremiah #9 were concurrent with the Most Excellent Grand High Priest.

STATE OF THE ORDER

Little has changed since last year with regard to the state of the Rite. Declining membership and participation continue to be major problems. There are, however, some positive signs of improvement. The rate of decline in membership has decreased. Degrees are being conferred in Symbolic Lodges throughout the state. Turnarounds have occurred in other organizations with similar purposes such as the Boy Scouts and college fraternities. This interest among younger people may be a precursor of interest in Masonry. Companions, it is our responsibility to make use of these opportunities to turn around our York Rite Bodies. Good ritual work is being performed in some Councils. The Grand York Rite Bodies of Idaho continue to be financially sound.

All visitations were well attended, especially those that were held concurrently with the Grand Chapter or Grand Commandery. It was particularly heartening to find a solid group of dedicated Companions at work at each Council.

RECOMMENDATIONS

The most successful events, with the best participation and attendance, are those that involve more than one Council or more than one of our Grand Bodies. The Mini-fest at Hayden has been well attended. All three Grand Bodies have been there for their Official Visitations. Degree work has been a joint effort of several different lodges. Joint Visitations of more than one Grand Body seem to work out well. Special events such as the Table Council at Payette are also well attended. This year it was also the occasion for my Official Visitation and that of the Most Excellent Grand High Priest. I recommend that the practice of joint visitations, special events, and cooperative events between two or more Councils be encouraged.

ACKNOWLEDGEMENTS

I'd like to thank Charles Huskey, PGIM, for having the confidence to

appoint me to the Grand line. I would like to extend a special thanks to David Triplett, PGIM; James A. Davidson, PGIM; and Ernest I. Teter, PGIM, for installing me. David Grindle, Grand Recorder/Treasurer deserves an award for persisting in getting me to do my job. He also accompanied me on several of my visitations as did Anthony Such, Illustrious Grand Chaplain. Thanks to 1st Dist. Ish Sodi, Rex R. Benson; 2nd Dist Ish Sodi, John R. Garner; 3rd Dist. Ish Sodi, Frank W. Allen and all of the Grand Officers for offering their assistance. I particularly appreciate the camaraderie and assistance of Most Excellent Grand High Priest, William K. Curtis, Jr. and Right Eminent Grand Commander, N. Dean Millard as we visited around the state together.

Companions, I move that this report be accepted and referred.

Fraternally and sincerely,

REPORT OF THE COMMITTEE ON THE STATE OF THE RITE

To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:

Declining membership continues to be a challenge for the York Rite. We feel it is vital for every York Rite Mason to concentrate on solutions to this problem -- the most obvious of which is to increase our membership.

There are many initiatives in Idaho Masonry to help increase membership. They focus on recruitment, retention, and reinstatement of members. We must become involved in each of these three areas, not only in the York Rite but also in our Blue Lodges. We will have a better chance of increasing membership if membership is a topic of discussion at every meeting and if our members act rather than simply discuss the problem.

York Rite Masons must be active and visible in their local Blue Lodges. They must support and help their Blue Lodges' efforts to increase membership. They must market the fraternal and philanthropic benefits of York Rite Masonry and make those benefits known to any Mason who is not already a York Rite member.

York Rite Masons must work hard to keep current members active and involved in our organization. Besides a membership committee, each chapter, council, and commandery must have a mentoring program to educate and involve our members. We must also inquire about the reasons members demit or do not participate so that we can take positive action to create changes that will alleviate this situation.

York Rite Masons should join other initiatives within the state to increase membership such as the recently established "Team Membership Idaho" which is designed to bring membership committee members together from all Masonic bodies within Idaho to discuss and share ideas.

We are members of a premier men's fraternal organization. Our philanthropies are world-class and they change lives. Our fellowship and ceremonies change the lives of our members. It is our obligation to reach out and help change lives in our communities. We can do this by being active in our communities, by emphasizing membership in our fraternity, and by increasing our membership.

Respectfully submitted,
N. DEAN MILLARD, Chairman
Jay A. Leonard

REPORT OF THE MEMBERSHIP COMMITTEE

To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:

The membership has declined by 5.36%. The Statistical Returns of the

Councils will show a compilation of the figures that equate to this decrease—just as last year the “Grim Reaper” continues to take his toll. Nothing can be done in that area for we are taught that “we all travel along that level of time to the undiscovered country from whose bourne no traveler returns.” But the Demits and N.P.D.’s (Non-Payment of Dues) may be slowed down. As you can see, there were nine (9) demits and 12 N.P.D.’s. Are we doing all we can to keep these companions, i.e. phone calls, letters, etc? Are our meetings as interesting as we can make them? The young men we need to fill the ranks are out there, but we must make the effort to recruit and then keep them.

Respectfully submitted,
Arthur F. Easley, Chairman
Arthur L. Busacker

REPORT OF THE JURISPRUDENCE COMMITTEE

To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:

We, your Committee on Jurisprudence, have examined the Report of the Most Illustrious Grand Master. We commend him for his dedication to the York Rite bodies of Idaho. Dispensation #1 to Emerald Council to change their “regular” August Assembly date and place is not approved. If it was a called Assembly, a dispensation is not necessary. If it was a stated Assembly, the date and place are established by the bylaws and the IGM cannot change them with a dispensation. This is the third consecutive year that Emerald Council #8 has requested a dispensation to move their August Assembly. Perhaps someone should look at their By-Laws.

We have carefully considered Resolutions C05-01 thru C05-03 and we

find as follows. C05-01 and C05-03 are in proper form and their adoption, as written, would not conflict with the Code of Laws and Regulations of the Grand Council. Resolution C05-02 has a minor mistake in the line that starts with THEREFORE. The words "Article II, Section 1" could be changed to read "Article IV, Section 2" by a "motion to amend" from the floor before its consideration. It would then not conflict with the Code of Laws and Regulations of the Grand Council. In brief, this resolution could be read, amended, and then considered.

Respectfully submitted,
Charles R. Huskey, Chairman
James C. Herndon

Dale C. Stoller
James A. Davidson

Report was received and adopted.

ADDITIONAL REPORT OF THE JURISPRUDENCE COMMITTEE

To the Most Illustrious Grand Master, Officers, and Companions of the Grand Council of Cryptic Masons of Idaho:

The Jurisprudence Committee recommends legislation be prepared and presented at the 2006 Grand York Rite Sessions, to allow the three bodies to initiate and pass joint legislation. Each body is Sovereign; and each needs to enact its own enabling legislation establishing joint resolutions.

Article VII, Section 1(A) allows the Constitution to be amended by 2/3 of the members present; provided the Constituent Councils have been notified of proposed By Laws (changes) 60 days in advance.

The Resolution considered and passed by all three Grand York Rite bodies at the 2004 Grand Sessions intended for two day rotations for the sessions of the Grand York Rite Bodies. The legislation did not authorize presenting modification or voting upon changes to the By Laws, Constitution or Regulations of this Grand Body.

Therefore, your Jurisprudence Committee recommends the Grand Bodies Jurisprudence Committees prepare legislation to enable the enactment of Joint Legislative Authority at the 2006 Grand York Rite Session.

Fraternally Submitted,
James C. Herndon

I move the adoption of this report. Motion was seconded and adopted.

STATE OF THE ORDER

A majority of our Royal Arch members do not take an active part in their Chapters. Consequently, this leaves the operation of the Chapters to a small group of active members, and in most areas of the state, this group of dedicated companions is struggling to keep their Chapters viable. As time passes this task becomes increasingly more difficult. Unfortunately, I do not see this situation changing anytime soon. So, the challenge, then, becomes how do we make inactive members of the Royal Arch into active members and how can we attract our Brethren from the Symbolic Lodges that will be good active members of the Royal Arch and York Rite.

RECOMMENDATIONS

I recommend we continue our support of the Northwest Regional York Rite Conference. This conference is an excellent resource for us to find ways to better our Fraternity.

I recommend we support the Masonic Leadership Training Sessions. This would be something new for us. And even though these sessions are geared toward the Masonic Lodge, the lessons learned from them can easily be adapted to the Royal Arch and York Rite.

I recommend we develop our own version of the "Friend to Friend" program. This would be another way for us in the Royal Arch and York Rite to make contact with our Brothers in the Symbolic Lodge.

I recommend language be included in the Grand Chapter Code of Laws to deal with the issue of mergers of Constituent Chapters. This would help guide the Chapters involved through the process of merging.

ACKNOWLEDGEMENTS

I would like to thank my Dad, William K. Curtis for getting me started in Freemasonry and to Companion Stan Barker for taking the time to talk to me about York Rite and inviting me to join. I thank my mentors from Boise Chapter #3 and throughout the State who have helped me on my journey to this point. I would like to thank Companion James L. Curtis, Past Grand High Priest, for appointing me to the Grand Chapter line. I thank David A. Grindle, our Grand Secretary for doing a great job, keeping me on track and traveling with me on some of my visitations. To Companions Arthur Busacker and Robert B. "Pete" Cargill, I thank you for representing the office

of MEGHP and the Grand Chapter of Idaho at Grand Sessions in other jurisdictions and to other Grand Bodies that I could not attend. I appreciate the work Companion Jay Leonard has done to get the Grand Chapter involved in the Masonic Leadership Training Sessions and other projects. Companion Bill Echo, along with his Grand Sessions staff should be complimented for organizing a very successful Grand Sessions. I would like to thank Companion Jim Cox, Most Illustrious Grand Master, and Sir Knight Dean Millard, Right Eminent Grand Commander, for allowing me to participate with them at a number of joint visitations. I also enjoyed the time I had traveling with Sir Knight Dean Millard to a few of our joint visitations. Finally, I would like to thank my wife, Andrea, and my two children, Johnny and Emily, for their constant support this year. Without them, I don't think I would have made it.

REPORT OF THE BOARD OF CUSTODIANS

To the Most Excellent Grand High Priest, Officers and members of the Grand Chapter of Royal Arch Masons of Idaho:

We, the board of custodians, in line with the directions of the Grand Chapter of 2004, have reviewed the ritual and how it conforms to the Code of Laws, Article XIX, Section 6, Paragraph b.

We see the need for an optional opening to conform to the six (6) man quorum allowed in the above code. We have therefore written an opening patterned after a sample we had from another jurisdiction, but using language from the “red” book that is the accepted form in Idaho. Since in the above code, the standard nine (9) man quorum is still provided for and is the preferred form, we see no reason to rewrite the entire ritual at this time.

We see the primary purpose of the six (6) man quorum as allowing the smaller Chapters who have trouble mustering out nine (9) Companions a chance to open and conduct essential business and not so much to confer the degrees.

It would be extremely difficult to confer the degrees with only six Companions and much of the meaning of the degrees would be lost. Also we can usually muster sufficient help from near by Chapters to confer the degrees.

We therefore respectfully move the adoption of this report and the attached six (6) man opening.

Fraternally Submitted,
Frank W. Allen, Chairman
Richard R. Crossler
Ernest I. Teter
Harry L. Huffer
Robert B. Cargill

Report was adopted.

Optional Six Man Opening is published in the Addenda.

REPORT OF THE COMMITTEE ON CHARITY & BENEVOLENCE

To the Most Excellent Grand High Priest, Officers and Companions of the Grand Chapter of Royal Arch Masons of Idaho:

The Charity & Benevolence Committee has had no activity to report for the past few years. This year is no exception. The lack of activity is because the business and funds of the committee have been assumed and combined into the York Rite Objectives Account. It is therefore the recommendation of this committee that the Charity & Benevolence Committee be discontinued.

Respectfully submitted,
James G. Cox, Chairman
N. Dean Millard
Jay Leonard

Report was adopted.

REPORT OF THE GRAND HISTORIAN

To the Grand High Priest, Officers, and Companions of the Grand Chapter of Royal Arch Masons of Idaho:

THE SYMBOLISM OF NUMBERS

In the high and far-off times, dignified men in turbans and robes, took a figure such as 7 or 9 and regarded it as mystic and tried to understand the meanings it might have in relation to life. Today men in tweeds are still pondering on the same subject.

They maintain that through centuries, through widely separate civilizations, a symbolism of numbers has persisted. They also talk learnedly of number vibrations, harmonies, the signs of the zodiac, of living up to the plane of a number, and of the science of numbers.

This is a field for the well read, but some of the simpler facts are interesting, whether you regard a number as meaningless in itself, as a sigh to conjure with, or as a clue to the understanding of the Universe. According to one of the students of numbers, there is practically always an ancient precedent for our current allusions to numbers.

When 23 skidoo was popular slang only a few years ago, how many Americans realized that they were harking back to old Egypt and the mysteries of the priests? Yet, the origin of the expression, it is claimed, can be found there. It seems that the Egyptian priesthood used a package of 78 cards, known as tarots, for divination. These tarots were more the forerunners of our modern playing cards. Some of their symbolism can still be found on playing cards. But the tarots were more than our deck of cards. They were like a book of occult philosophy, with each card a page of symbols and principles.

The public of Egypt was interested in the lore of the tarots no less than the priests. But, said the priests, if the laity can study all our source of

knowledge, they may divine events as well as we. So to protect their secrets 22 of the highest cards were withheld from the sight of the public. The 56 less important cards, beginning with the 23rd card of the deck, were available for ones use. From this situation in Egypt, 23 came to suggest something outside of the sacred mystery, hence not of any importance.

Egypt may or may not be originally responsible for the idea of thirteen being unlucky, but on the 13th tarot of the pack was the picture of a skeleton with the number 13 below it. This was the number of death, regeneration, and change. Later, 13 was associated with the tragic story of the last supper, where Christ and his 12 disciples sat down together.

One writer, who believes that individuals vibrate to numbers, states that 13 is not unlucky if you can live up to its high plane, but that it is difficult to vibrate to 13. This may lift a weight from some of the superstitiously inclined who regard 13 as inevitably fatal.

Number 4 always has been taken to suggest the material, while 3 is the number of divinity, according to number lore. Some of the best examples of this symbolism are found in the book of Revelations in the Bible. All through this book numbers are used in code fashion. "4 corners of the earth" take in everything in the material world. The 4 living creatures around the throne represent the entire world of living things. 3 suggests the Trinity and when 3 and 4 are multiplied you have 12. Speaking of the number 12, one writer states here you arrive at the idea of a creation into which God has entered. You have something that has been secular, but has become spiritual. Thus you have 12 tribes of a chosen Israel, the 12 apostles, the 12 stars around the head of the eternal woman, the 12 furlongs every way, and 12 by 12 cubits high, while the number redeemed is 12 by 12,000 led by twice 12 elders.

The idea of spiritual things being connected with the number 3 has been applied to fairy stories. Study of the Arabian Nights and the old fairy will reveal a great deal of intended symbolism. There are always 3 sons in the fairy tale. The youngest son is always the smartest. He outwits the other two and they never understand how. These 3 sons can be replaced symbolically by the body, mind and spirit. The youngest son represents the spiritual which is the last side of the man to develop. The hour of midnight is always the critical time in the stories and this idea is held because midnight ends the cycle of day and night. After that, come the changes brought by a new day. These are only two of the examples of number symbolism which is found in fairy tales.

In everyday life, too, the symbolism of numbers bobs up to intrigue the student. What could be more familiar to us in modern business affairs than the decimal system? One writer studying the Revelations, finds evidence that even centuries ago ten was a peculiarly secular digit. The Tribes that broke away from Jerusalem were 10. A beast with 10 horns is dependent on

secular force. And an army of 200,000 is again an unconsecrated army quite different from the redeemed army reckoned by 12. The raising of tens into millions indicated how immense was the army.

Material minded folk would say that different numbers were used symbolically in certain ways at first by choice, and that they came to stand for definite ideas. The occultist says, there us a law of numbers, the secret of which is in themselves. It is a deep and mysterious subject.

These random glimpses only show vaguely how modern experience is built up on an enormous network of allusions and ideas out of the dim past. Whether the symbolism of numbers is outworn or whether it is more vital than ever, it persists to perplex and fascinate the descendants of the magi.

REPORT OF THE MEMBERSHIP COMMITTEE

To the Most Excellent Grand High Priest, Officers, and Companions of the Grand Chapter of Royal Arch Masons of Idaho:

The main continuing loss of membership in the Royal Arch Chapters continues to be loss by death. There are a few Chapters who have been fortunate enough to exalt new members and are to be commended for their efforts.

The close relationship existing between the Masonic Blue Lodges and the Royal Arch would benefit both activities should they work together to obtain members for the Masonic Bodies.

Upon gaining new members, the Chapters should see that they are well

received and then become a part of the function of the operation of the Chapter.

REPORT OF THE JURISPRUDENCE COMMITTEE

To the Most Excellent Grand High Priest, Officers, and Members of the Grand Chapter of Royal Arch Masons of Idaho:

We, your Committee on Jurisprudence, have examined the report of the Most Excellent Grand High Priest. We commend him on his attention to detail and his desire to provide leadership training for the Companions of this Grand Chapter. We concur with his approval of all By-Law changes.

We approve of his granting of Dispensations #1 through #6.

We carefully considered all Resolutions presented for consideration at this Grand Convocation and are in proper form unless proponent’s desire to rewrite them or withdraw them. Their adoption would not conflict with the Code of Laws and Regulations of this Grand Chapter.

The following are this Committee’s comments on the Resolutions:

Resolution R05-01 Requires approval by 2/3 of the Chartered Chapters

This Resolution will do away with the sovereignty of the constituent Chapters and will replace it with whoever can produce the greater number of voting members at the Annual Grand Session. While regulations and by-laws of the Grand Chapter can and are easily changed at Grand Session, the Constitution of the Grand Chapter should not be changed on the whim of a few individuals but should be changed only when the full consequences of the action is considered. While this resolution is in form, it should not be adopted by the members of this Grand Chapter due to its potentially far reaching results. The Constitution should not be changed to make things easier, but only to make things better for all the members of the Grand Chapter, including the constituent chapters.

Resolution R05-02 Requires majority of delegates present to pass

This resolution should be adopted to free the Grand Chapter to elect the best candidates to the top three offices. Times have changed and with the shrinking numbers to draw from, the best candidates may, on occasion, be from the same constituent Chapter. It is, therefore, the best choice to elect those Companions to these offices. This resolution should be adopted as it has a direct benefit to the Grand Chapter of Idaho.

Resolution R05-03 Requires majority of delegates present to pass

This resolution cleans up a poor past practice when changes were occurring to the constituent Chapters on a monthly basis. With the decrease in numbers of members, many Chapters do not have changes in their rosters for months at a time. This resolution should be adopted as it has a direct benefit to the constituent Chapters and the Grand Chapter of Idaho.

Resolution R05-04 Requires approval by 2/3 of the Chartered Chapters

This resolution would increase the membership inequity between the larger Chapters and the smaller Chapters, by reducing the overall number of potential votes available to the smaller Chapters. Smaller Chapters often have to recycle their officers and many times do not have the number of Past Presiding Officers available to attend Grand Chapter. The Proxy system is one way to provide smaller Chapters with adequate representation to Grand Chapter. In addition, the claim by this resolution that the purpose of the proxy vote is to stimulate attendance is false. If a Chapter Dias officer attends Grand Chapter, he already has his vote and does not need a proxy. It is for those Chapters whose Dias Officers cannot attend Grand Chapter to allow an equalization of representation between the larger Chapters and the Smaller Chapters. It is recommended that this resolution be defeated as it does not benefit the Grand Chapter of Idaho

Resolution R05-05 Requires majority of delegates present to pass

This is a companion resolution to Resolution R05-04. This resolution reduces the representation to the smaller Chapters and concentrates the

power in the larger Chapters. This resolution should be defeated as it does not benefit the Grand Chapter of Idaho. In addition this resolution falsely portrays the purpose of the proxy vote. Its sole purpose is to provide equalization for representation between the larger Chapters and the smaller Chapters. It has nothing to do with attendance of members at Grand Chapter as is claimed.

Richard R. Crossler, PGHP, Chairman
Frank Allen, PGHP, Committee Member

REPORT OF THE RESOLUTIONS COMMITTEE

To the Most Excellent Grand High Priest, Officers, and Members of the Grand Chapter of Royal Arch Masons of Idaho:

We, your Resolutions Committee, present the following Resolutions for your consideration:

R05-01

RESOLUTION TO AMEND THE CONSTITUTION OF THE GRAND CHAPTER OF ROYAL ARCH MASONS OF IDAHO (Requires approval by 2/3 of the Chartered Chapters)

ARTICLE VII, AMENDMENTS

SECTION 1.

WHEREAS, the method of amending the Constitutions of the three Grand York Rite Bodies are not consistent, and

WHEREAS, the current method for amending the Constitution of the Grand Chapter makes it nearly impossible to change the constitution because many Constituent Chapters have extreme difficulty of obtaining a quorum to hold a meeting;

THEREFORE, Be it resolved, Article VII, Section 1, shall be amended as follows:

As it reads:

Section 1. This Constitution may be amended only in the following manner: The proposed amendment shall be presented in writing at an Annual Convocation of the Grand Chapter and read aloud.

It shall be printed in the Proceedings and referred to all chartered Chapters in this Jurisdiction by the Grand Secretary/Treasurer. When referred, it shall be read aloud in each Chapter by the High Priest at three Stated Convocations. Following the third reading, the High Priest shall put the question clearly: "Shall the amendment as read pass"? A "Yea" and "Nay" vote shall then be taken. If a majority is favorable, the Chapter concurs. The Secretary shall carefully record an explicit account of all proceedings relating to the proposed amendment, and as soon as possible thereafter transmit a certified copy thereof to the Most Excellent Grand High Priest, signed by the High Priest and attested by himself under seal of the Chapter. When two thirds of all Chartered Chapters have concurred in the proposed amendment as referred to them, the Most Excellent Grand High Priest shall immediately promulgate the same as part of this Constitution.

As amended:

Section 1. This Constitution may be amended only in the following manner: **The proposed amendment shall be presented in writing to the Grand Secretary one-hundred-twenty days prior to the Annual Convocation of the Grand Chapter and signed by three Companions of *separate* Constituent Chapters. The Constituent Chapters shall be apprised in writing of the proposed amendment sixty days before the Annual Convocation. At the Annual Convocation of this Grand Chapter, the proposed amendment may be adopted by a two-thirds "Yea" vote of the Constituent Chartered Chapters present (One Chapter-One Vote).**

RESOLUTION TO AMEND

ARTICLE XI, Section 7

Election, Appointment and Installation of Grand Chapter Officers

(Requires majority of delegates present to pass)

WHEREAS: the methods of selecting and electing Grand Chapter Officers are not consistent, and

WHEREAS, the current restriction in *Section 7* requiring the Grand High Priest, Grand King and Grand Scribe be elected from different Constituent Chapters, never contemplated Grand Chapter Appointed Officers would drop out by death or other reasons, and

WHEREAS, disruption of Grand Chapter Officers' lines is contrary to harmonious continuum within the ranks when this occurs, and

WHEREAS, the location and the Chapter of membership has nothing to do with the ability of sound leadership, ability to govern and ability to conduct the business of this Grand Chapter; and

WHEREAS, non-membership in the same Chapter should not be a restricting factor in electing willing and able Grand Chapter Officers who were appointed and quickly advanced because of members dropping out of sequence,

THEREFORE, Be it Resolved, Article XI, Section 7, shall be amended as follows:

As it reads:

Section 7. No companion shall be elected to any office in the Grand Chapter who has not been elected to the office of *High Priest*, and installed and presided over a Constituent Chapter of this Jurisdiction. The *Grand High Priest, Grand King and Grand Scribe* shall be elected from different Constituent Chapters. NOTE: See ARTICLE II, Section 2.

As Amended:

Section 7. No companion shall be elected to any office in the Grand Chapter who has not been elected to the office of *High Priest*, and installed and presided over a Constituent Chapter of this Jurisdiction. **No more than Two (2) of the following:** The *Grand High Priest, Grand King and Grand Scribe* **may be** elected from **the same** Constituent Chapter. NOTE: See ARTICLE II, Section 2.

**RESOLUTION TO AMEND
ARTICLE XXIV, SECTION 2,
POWERS AND DUTIES OF CHAPTER OFFICERS**

(Requires 2/3 majority of delegates present to pass)

WHEREAS Chapter “Monthly Returns” report nothing more than the membership statistics of a Chapter, and

WHEREAS the Section subtitle is confusing and the Form contains only Membership Information, and

WHEREAS most chapters do not experience changes in membership on a monthly basis making most Chapter “Monthly Returns” redundant and therefore a waste of time, and

WHEREAS the same level of information currently can be achieved when membership changes are reported as they occur; and

WHEREAS there is no need to assess Constituent Chapter to encourage them to submit membership information;

THEREFORE, be it resolved that ARTICLE XXIV, SECTION 2 be changed as follows:

As it reads:

Section 2. The Secretary shall:

- a. Receive all moneys paid into the Chapter and pay the same over to the Treasurer or deposit the monies in the Chapter General Account and insure that the Treasurer receives the deposit slip.

(The Grand Royal Arch word is communicated in the usual manner, in syllables, thrice repeated. The High Priest resumes his station.)

*

Closing

1. **H. P.:** * Companion Royal Arch Captain, you will see that the outer courts of the Tabernacle are duly guarded, and inform the Sentinel that I am about to close _____ Chapter, No. _____, Royal Arch Masons, and direct him to guard accordingly.

Prayer

By the wisdom of the Supreme High Priest may we be directed, by his strength may we be enabled, and by the beauty of virtue may we be incited, to perform the obligations here enjoined on us; to keep inviolably the mysteries here unfolded to us, and invariably to practice all those duties out of the Chapter which are inculcated in it. Amen.

4. **Response:** So mote it be.
5. **H. P.:** Companion Principal Sojourner, attend at the Altar. (*Done.*) Companions, I now declare _____ Chapter No. _____, Royal Arch Masons closed. Companion Royal Arch Captain, inform the Sentinel. (*Done, as in opening.*) *

N Dean Millard*Right Eminent Grand Commander, 2004-05*

Dean Millard was born Mar. 25, 1941 in Rexburg, ID. He attended Grade school in St. Anthony, ID and Island Park up through grade 3. The family then made a series of moves to Cascade, Lowman and Boise. He finally graduated from Borah High School as a part of the first graduating class in 1959.

He then attended Boise Junior College, "BJC", earning an Associate of Science Degree in 1963, completing his Bachelor of Science Degree in Electrical Engineering at the University of Idaho, graduating in 1966.

Dean started his professional career in Phoenix, AZ, working at General Electric's computer division. When the engineering profession collapsed in 1970, Dean moved his family to San Jose, CA and then back to Boise. There he worked at a variety of jobs until obtaining an instructor's position at Boise College (formerly BJC) in 1973 teaching the freshman year of Electronics Technology. In 1979, Dean obtained an electronics engineering position with Hewlett Packard Co. where he remained for nearly 20 years. When the board manufacturing group of HP was sold to Jabil Circuit, Dean left HP and continued his work of designing and building functional test fixtures with Jabil Circuit. Dean is presently working for Manpower Professional doing engineering work for HP again.

Dean married Deanna Hamilton in Boise in 1963. They raised three great daughters, Susan, Stephanie and Shellie who are also now residing in Boise.

Dean's Masonic career started in 1977 in Capital City Lodge #93, A.F. & A.M., where he has served three times as Worshipful Master in 1984, 1987 and 1997. He also is a member of Idaho Lodge of Research #1965 and has now served as its Secretary for 17 years.

In 1979 he was Exalted a Companion of Boise Chapter #3, Royal Arch Masons and served as High Priest in 1997. Dean completed his York Rite degrees in 1981 being Greeted a Companion of Idaho Council #1 serving as the Illustrious Master in 1996 and Created a Knight Templar in Idaho Commandery #1 serving as the Commander in 1990. He is a member of the Red Cross of Constantine, HRAKTP, and KYCH and holds the honor of Knight Commander of the Temple.

Dean became a 32nd Degree Scottish Rite Mason in the Valley of Boise in 1984 and was inducted into the Royal Order of Scotland in 1996. He joined El Korah Shrine in 1990 but is presently inactive. He and Deanna joined Mystic Star Chapter #81, OES, in 1992.

Dean also spent several years serving M. W. Wood Chapter of DeMolay receiving the Honorary DeMolay Legion of Honor in 1998. He also was the Associate Guardian of Bethel #13 and was elected as a Member of Honor of Bethel #13 in 1993 and is presently the Associate Guardian of Bethel #54, International Order of Job's Daughters, all in Boise.

REPORT OF THE EDUCATIONAL FOUNDATION COMMITTEE

To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Idaho:

The Knights Templar Education Foundation generates a rather mediocre report this year. We have had some payments, but there are some loans that continue to be problems.

There has been no request to return the funds that were taken from the Idaho Falls Episcopal Church. Additional payments have been received from the parents. They have come in sporadically.

Another account is giving cause for concern. I was able to get a current address for the borrower, but neither Kent nor I have received a response.

Another borrower that filed bankruptcy has said that she will be doing a debt consolidation loan and will pay her debt to the committee. I have pressed her for an update on her guarantor. The guarantor for the loan cannot be located. I have had no response from my last correspondence with her.

No new loans were made this year. The Grand Encampment Committee has asked if we will be changing to a scholarship at this year's Grand Conclave. We have not had a committee meeting since last year's conclave and have not formulated the procedures for providing scholarships and what value we can place on them. We will be giving a negative response and promise to accomplish the change next year.

This is my first year of administering this fund and it has been interesting and challenging to work with these borrowers.

Respectfully submitted,
David A. Grindle, PC
Secretary/Treasurer

KNIGHT TEMPLAR EDUCATION FOUNDATION BUDGET

Sir Knight David A. Grindle, Secretary/Treasurer, presented the budget for 2005-06 for the Idaho Division of the Knights Templar Education Foundation. The Budget consisted of \$100 for a \$25,000.00 Surety Bond, \$37.00 for postage, and \$350.00 for Secretary/Treasurer Expenses. It was moved and seconded that the budget be approved.

STATE OF THE ORDER

My fraters, the next two sections of this report have caused me a great deal of trouble trying to figure out how to say what must be said and yet not make it sound as though I don’t care. Nothing could be further from the truth and I hope that my friends know that I have no intention of ignoring the responsibility that I have in this process.

The State of the Order in Idaho is one of continuing decline and, I am sorry to say, I was not able to make any changes that would lead to its

improvement. We have one Commandery that should no longer hold a Charter and four others that survive only with the help of other Commanderies. However, we also have one Commandery that has brought itself out of a state of virtual collapse to one of being healthy again and the other two Commanderies are healthy, active and continue to perform their full function. Please refer to my recommendations below.

Sir Knights, the fact that Coeur d'Alene Commandery #5 was able to bring itself out of virtual non-existence to one of being active again shows us all that there is nothing wrong with Templary, but with the way most of us approach our work and the way we view what we are doing and how we are doing it. I salute the officers and members of Coeur d'Alene Commandery #5 for a fine job and strongly urge them to continue the fine work. They have been an example for the other Commanderies of this State and have shown us all that we can make Templary strong again if we just work at it. They are also a shining light to the five struggling Commanderies, most of which operate in larger populations than North Idaho, and show them that there is a way that they can recover if only they are willing to work hard and stick to their guns.

RECOMMENDATIONS

1) That Salmon Commandery #9 should be placed on probationary status and if they are unable to form a quorum within a reasonable period their Charter be arrested. This is not to say that I believe that Salmon cannot be made a viable Commandery again, to the contrary, Coeur d'Alene has shown that it CAN be done.

2) That Gate City Commandery #4 and Idaho Falls Commandery #6 both be placed on a "watch" status. If these Commanderies are unable to form a quorum without having to use members from adjacent Commanderies, that they be placed on probationary status and cautioned that the next step may be one of more serious action. Once again, this is not intended to be a punitive action, but one of informing these Commanderies that they need to get to work within their respective Commanderies and also get themselves active within their Blue Lodges to recruit new York Rite members from the Blue Lodge and to help promote membership drives within the Blue Lodges.

3) That Lewiston Commandery #2 and Moscow Commandery #3 be cautioned that they must get themselves active in finding new members so that they may each begin to build their respective Commanderies to the level that they are not dependent on each other. I commend these Commanderies for finding innovative solutions to what can be a tough problem, but remind them that the solution they have found is only temporary at best.

4) That Twin Falls Commandery #10 and Idaho Commandery #1 be commended for keeping their Commanderies active and trained to a point where they can continue to perform their work in full form and from

memory. I will remind them as well that this does not continue on without the full support of all Sir Knights within their Commanderies and that they must continue to work hard at maintaining this proficiency. It doesn't happen by accident, only by hard work.

ACKNOWLEDGEMENTS

First, I would like to thank Sir Knight Wayne L. Ellis, REPGC, for appointing me to the Grand Line, and I wish from the bottom of my heart that he was able to be here to see this Grand Session take place. Thank you Sir Knight Wayne, I know that you are looking down on this session with love in your heart and I deeply hope that I have met your expectations.

Sir Knight Ernie Teter deserves a very special place in this section. He has been my mentor and guiding light as well as the "special dad" who gave me a few "swift kicks" when they were needed. Thank you very much Ernie, you fill a very special place in my heart. He is also the Chairman of the Knights Templar Eye Foundation and is, as in many past years, instrumental in its success.

A special thanks goes to my Eminent Grand Chaplain, Sir Knight Peter Furno, Jr. Sir Knight Peter it is extremely difficult for me to select any one thing to thank you most for, but you may believe it completely when I say that it was my great pleasure to have you take this position for me.

Thanks are also due to all of the rest of my Officers for this year. I greatly appreciated your willingness to accept your positions and fulfill your duties.

Two others who deserve to be mentioned here are Sir Knight James Curtis, REPGC, and Sir Knight David Triplett who have both been very special friends and mentors to me for a very long time, not only in York Rite, but also in my entire Masonic career.

I would like to thank all of the Sir Knights that traveled with me last year, their presence was greatly appreciated. However, I wish to express a special thanks to Sir Knight and Most Excellent Grand High Priest, Companion Bill Curtis, Jr. He and I were able to travel many miles together and it certainly made the time go a lot easier and faster. I just hope that he enjoyed those times together as much as I did.

I also wish to thank Sir Knight David Grindle, Eminent Grand Recorder/Treasurer, for the great job he is doing and all the help he has provided for me in the performance of my job. Keep up the good work Sir Knight Dave. I know that Right Eminent Merle will be as happy to have you there as I was.

I wish to thank Sir Knight Arthur L. Busacker for representing me at other Jurisdiction Sessions that I could not make.

The last of the individuals that I must thank is most certainly not the least. I wish to thank my lovely lady, Deanna, who has been my wife, companion, friend and strong supporter for all of these many years. Without her love, support and helping hands I doubt that I would have been able to succeed, or perhaps to survive, as I have.

Thanks to all the committees for the hard work they do for this Grand Session. The Host committee has done an admirable job in making this a very successful Session. It is a great deal of hard work and I appreciate the dedication they have shown.

I also wish to thank the ladies in the hospitality room. I am fully aware of the fact that this is not an easy job, and the Sir Knights and I all appreciate your efforts on our behalf.

Thanks to all of the Knights Templar of Idaho for allowing me to be your Grand Commander. I look forward to returning to the ranks and continuing my participation in this greatest of Fraternities.

I also want to extend my heartiest thanks to all of our out-of-state visitors. These sessions would not be the same without you! I hope that we will be able to reciprocate in kind when your sessions are held.

There are many more that I have not named here but have been instrumental in my success and advancement over the years. I don't think that I have room in this report to name all of those who have touched my life so deeply that I can never forget them. All I can say at this time is – Thank you all from the very depth of my soul. I may have left the area, but I can guarantee you that I won't forget any that will be left behind.

Respectfully and fraternally submitted,
N. Dean Millard, KCT, KYCH

REPORT OF THE MEMBERSHIP COMMITTEE

To the Right Eminent Grand Commander, Officers, and Sir Knights of the Grand Commandery of Idaho:

This is the report of the membership committee. Our membership continues to decline through deaths and suspensions. These suspensions need to be investigated to find the reason why they are occurring.

This Grand Commandery started the year of 2004 with 603 members. Idaho #1 knighted four (4) new members, Coeur d'Alene #5 knighted three (3), Twin Falls #10 knighted two (2), and Moscow #3 knighted one (1) for a total gain of ten (10). Lewiston #2 had two (2) affiliations, Idaho #1 had one (1) affiliation, while Moscow # 3 had seven (7) affiliations for a total gain of 20 for Idaho.

We then lost 10 to demits, 16 Suspensions, and 26 passed through the veil to the Celestial Lodge above.

We closed 2004 with 571 members for a state wide loss of 32.

Moscow Commandery #3 was awarded the Grand Commandery Membership Trophy because they had the greatest gain.
